

PROJECT PORTFOLIO • 2026

We build digital products that **grow businesses.**

Websites, mobile apps, custom CRMs and marketing — designed and engineered by one team, for clients across 15+ industries.

28

PROJECTS INSIDE

32K+

DRIVERS ON SAFARTAX

2022

FOUNDED

Where logic meets creativity — **that's where we thrive.**

Founded in 2022, **Coladco Digital & Softwares** is a full-service digital agency specialising in web development, app development and digital marketing.

We help businesses of every size build a powerful online presence through tailor-made websites, innovative mobile applications, custom business software and result-driven digital strategies.

OUR MISSION

To make technology simple, effective and valuable for every client we work with — and to grow alongside them.

28

Projects in this portfolio

15+

Industries served

6

Service lines under one roof

**Web · App ·
Cloud**

Platforms we ship on

Everything your business needs to **win online.**

One accountable team from idea to launch — and beyond. No hand-offs between agencies, no gaps between design and code.

01

Website Development

Fast, responsive websites and web apps built to convert visitors into customers.

02

App Development

Native-feel Android & iOS apps, from first prototype to store launch.

03

Custom CRM & Software

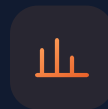

Admin panels and business systems shaped around your exact workflow.

04

UI/UX Design

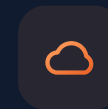

Research-led interfaces that are intuitive, accessible and on-brand.

05

Digital Marketing

SEO, social and performance campaigns that drive traffic and sales.

06

Graphic Design & Cloud

Brand visuals that stand out, and reliable cloud hosting behind it all.

— TRUSTED BY

Brands that **trust us** with their growth.

From heritage brands to fast-moving startups, businesses across India and abroad rely on Coladco to design, build and run their digital products.

Industries we've built for

Travel & Tourism

Laundry & Dry Cleaning

Healthcare

Mining

Construction Materials

Retail & Grocery

Mobility

Wellness

FMCG & Personal Care

Manufacturing

Real Estate

Public Services

Automotive Services

Social Networking

Home & Décor

Sales Operations

Every industry has its own workflows. We've learned a lot of them — and we bring that experience to yours.

A clear process. No surprises.

You always know what's being built, why, and when it will be ready. Here's the path every Coladco project follows.

28 projects. Three practices.

Custom CRMs & Admin Panels

Software that runs the business behind the business. We design and build operational systems around the way each client actually works — from travel desks and laundries to hospitals, mines and stone crushers.

ATS Admin Panel / Fabodry Admin Panel / Lead Management System / Hospital Management System / DG Mining CRM / Stone Crusher CRM / Auto YouTube Commenter

Travel & Tourism

ATS Admin Panel

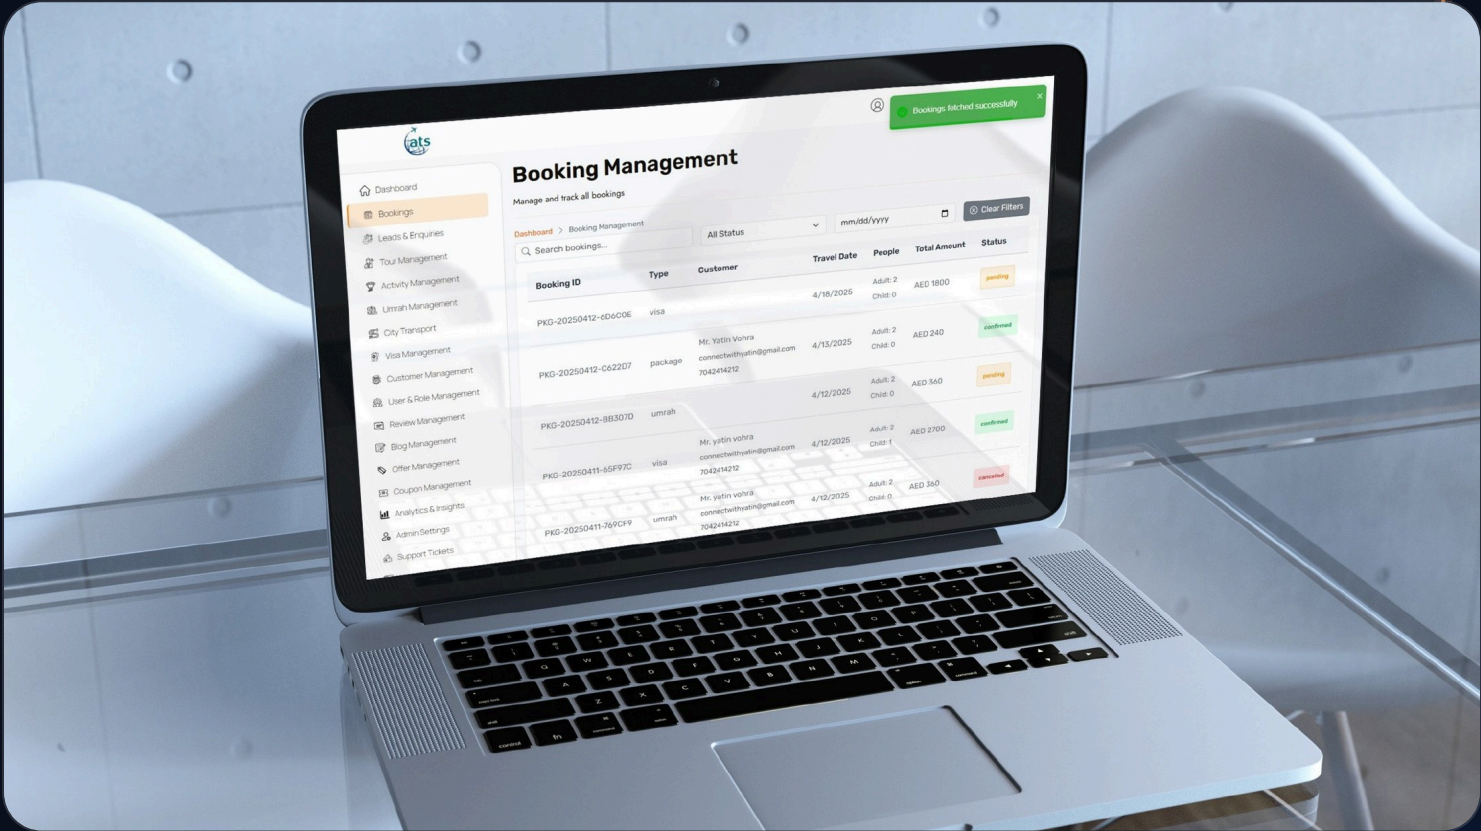

One control room for an entire travel business.

ATS Tours & Travels was juggling bookings, trip schedules, customers, packages and payments across separate tools. We built a single admin panel that gives their team real-time visibility and control over every trip they sell.

WHAT WE DELIVERED

- ✔ Bookings, trip schedules & visa details in one place
- ✔ Tour package and pricing updates in minutes
- ✔ Customer records, leads & payment tracking
- ✔ Support tickets, blog and role-based team access

Laundry & Dry Cleaning

Fabodry Admin Panel

A multi-branch laundry, run from one dashboard.

Fabodry needed to manage orders, pickups, deliveries and staff across outlets without the chaos of spreadsheets. The admin panel we built is now the operating system of their laundry business.

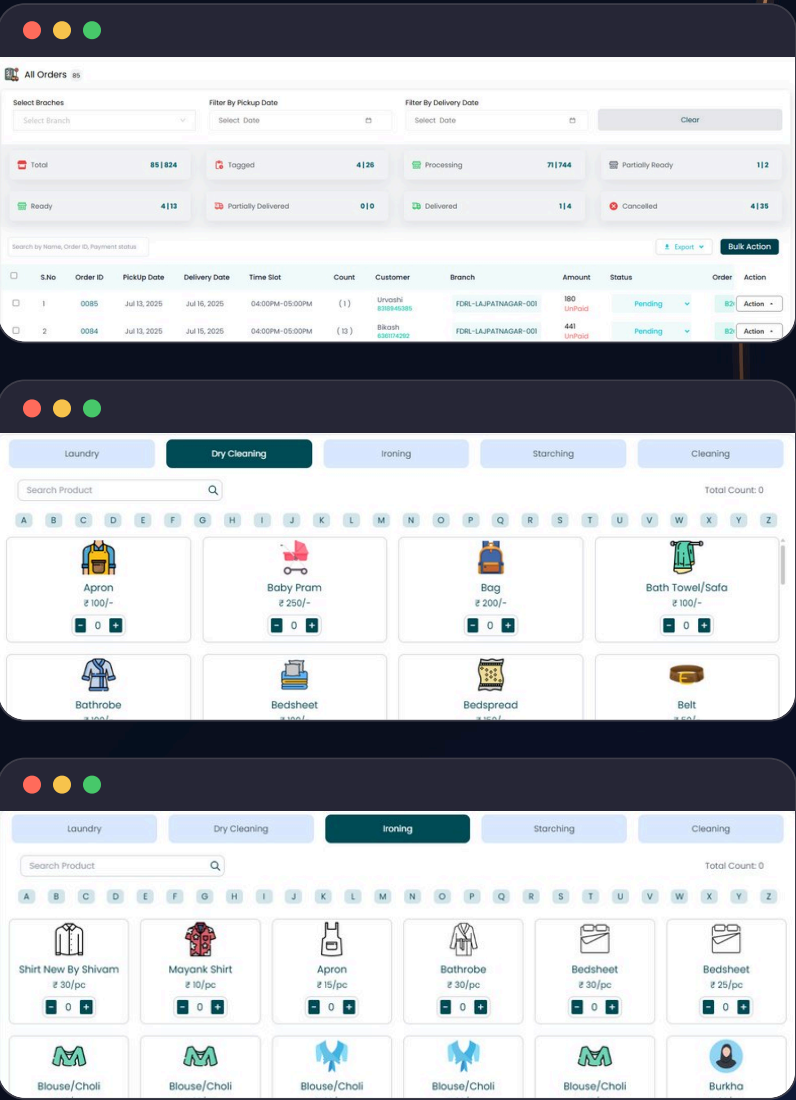

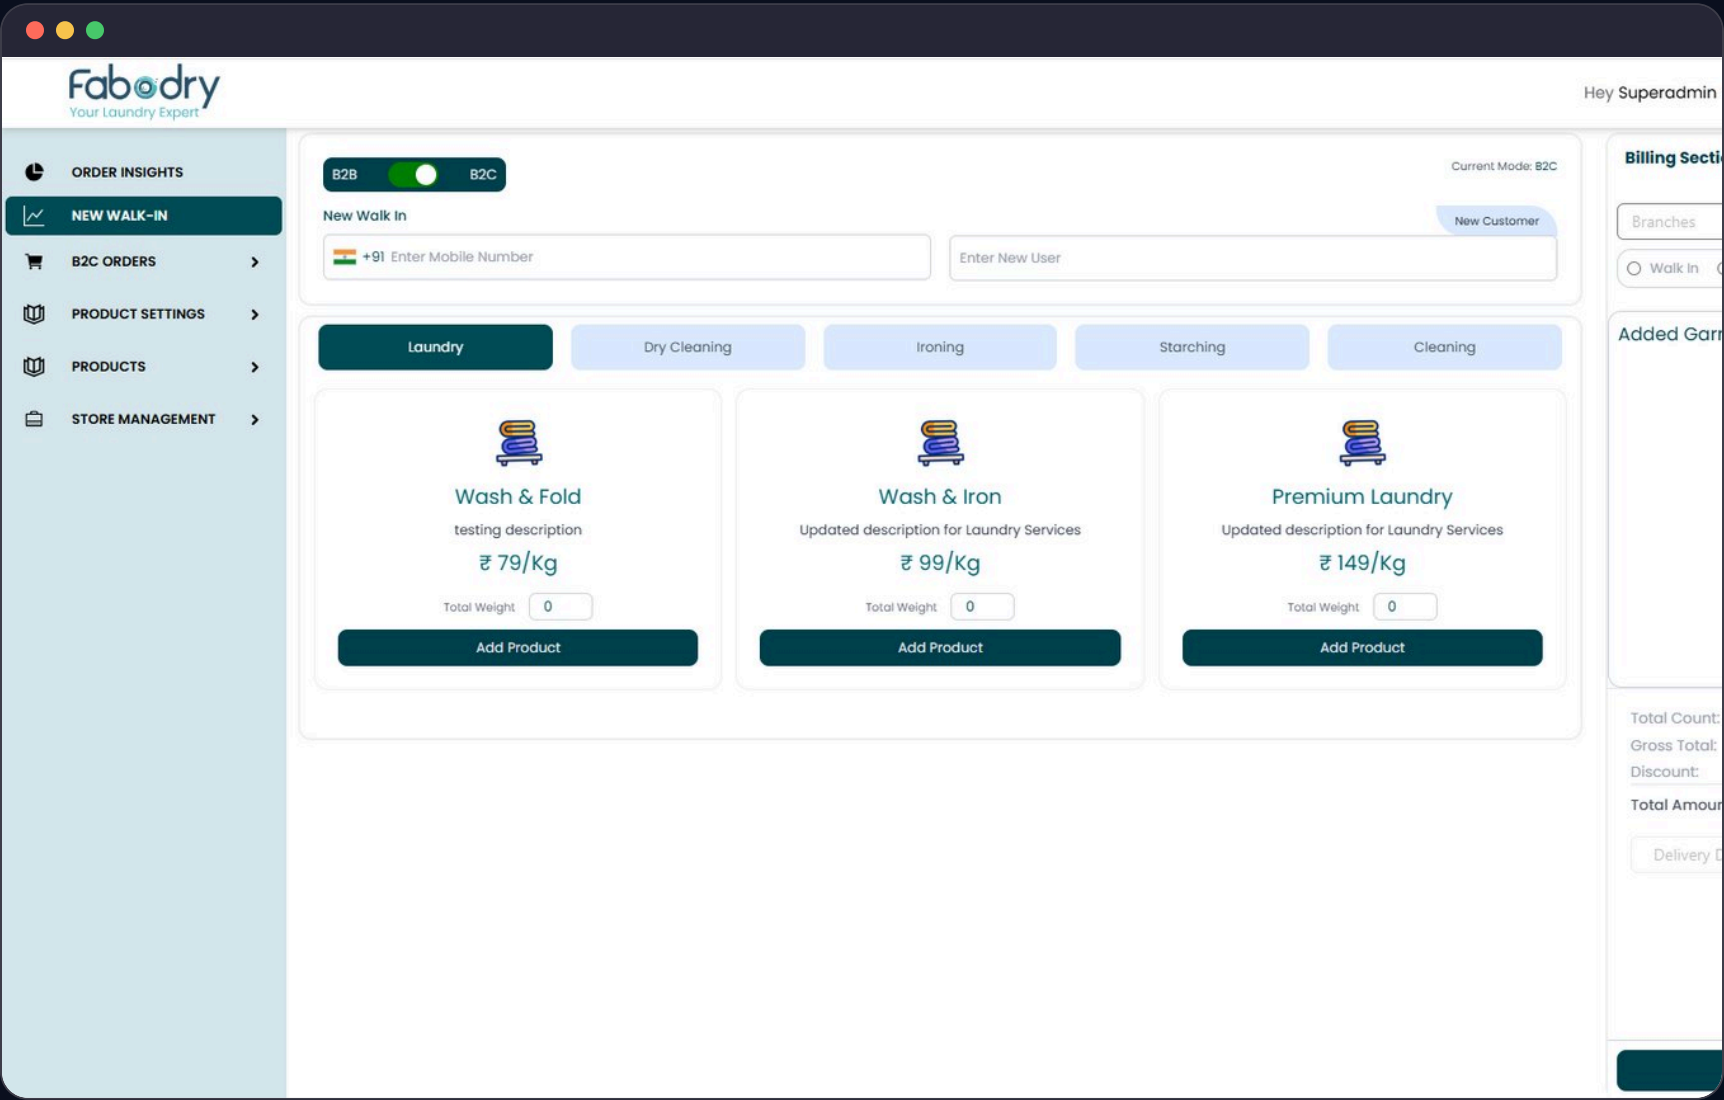

WHAT WE DELIVERED

- ✓ Order management with pickup & delivery assignment
- ✓ Service catalogue with item-wise pricing & add-ons
- ✓ Inventory and staff performance tracking
- ✓ Real-time analytics for one outlet or many

SCOPE Design · Development

Inside Fabodry Admin Panel

Sales Operations

Lead Management System

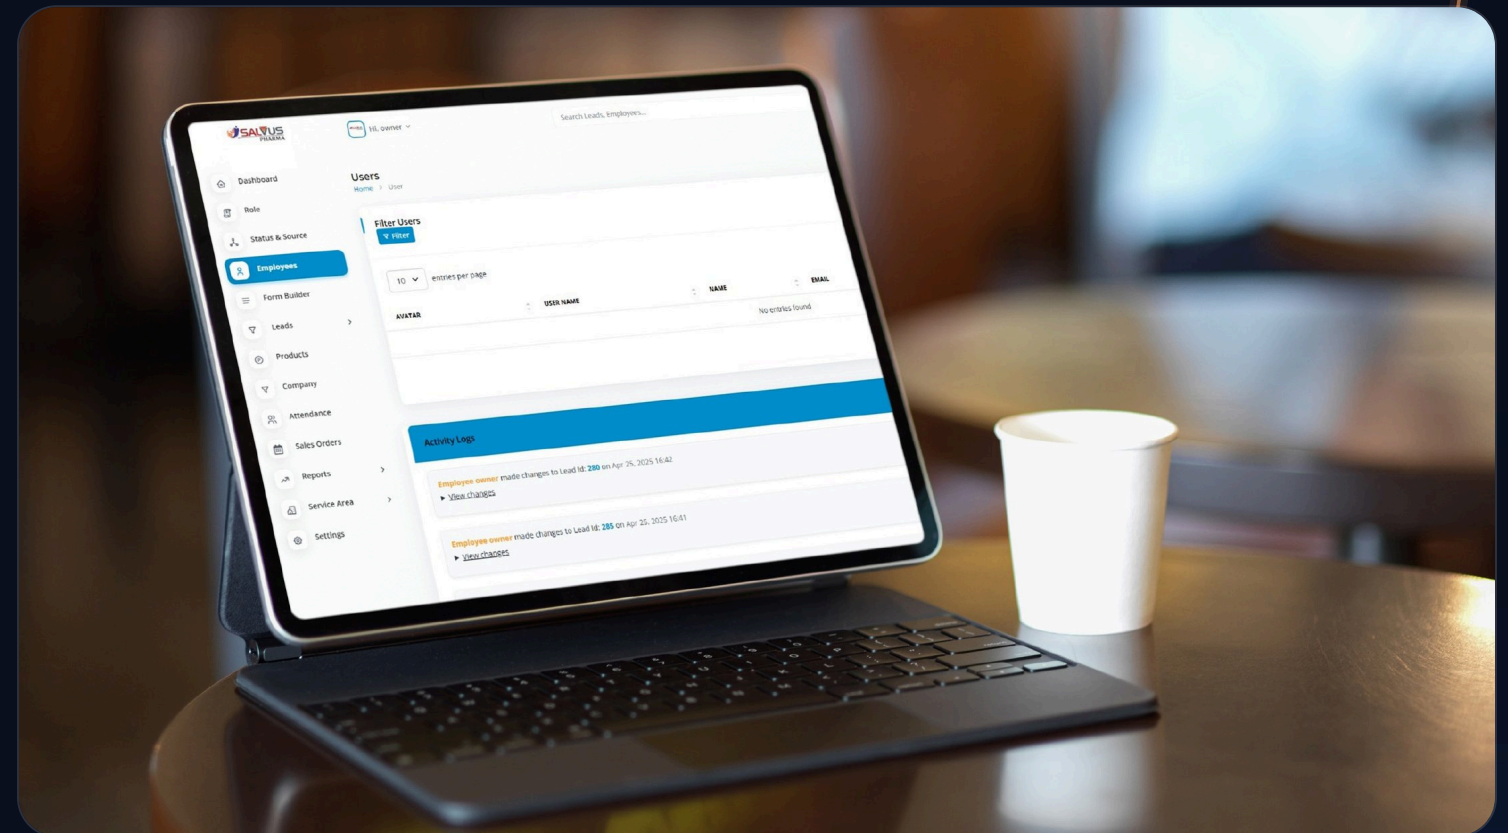

Every lead captured. Every follow-up on time.

A sales pipeline tool that captures, organises and nurtures prospects from first touch to closed deal — so no opportunity slips through the cracks and every rep knows exactly what to do next.

WHAT WE DELIVERED

- ✓ Lead capture from every source into one pipeline
- ✓ Automated follow-ups and lead scoring
- ✓ Smart assignment of leads to sales reps
- ✓ Company records, user roles & permissions

SCOPE Design · Development

Healthcare

Hospital Management System

Less paperwork, more patient care.

A digital platform that automates the day-to-day operations of a hospital — from the front desk to the finance office — giving administrators a live view of patients, appointments and performance.

WHAT WE DELIVERED

- ✓ Patient registration & slot-based appointments
- ✓ Medical records, billing and inventory
- ✓ Staff management and multi-hospital onboarding
- ✓ Dashboards on visits by age, gender & more

Mining

DG Mining CRM

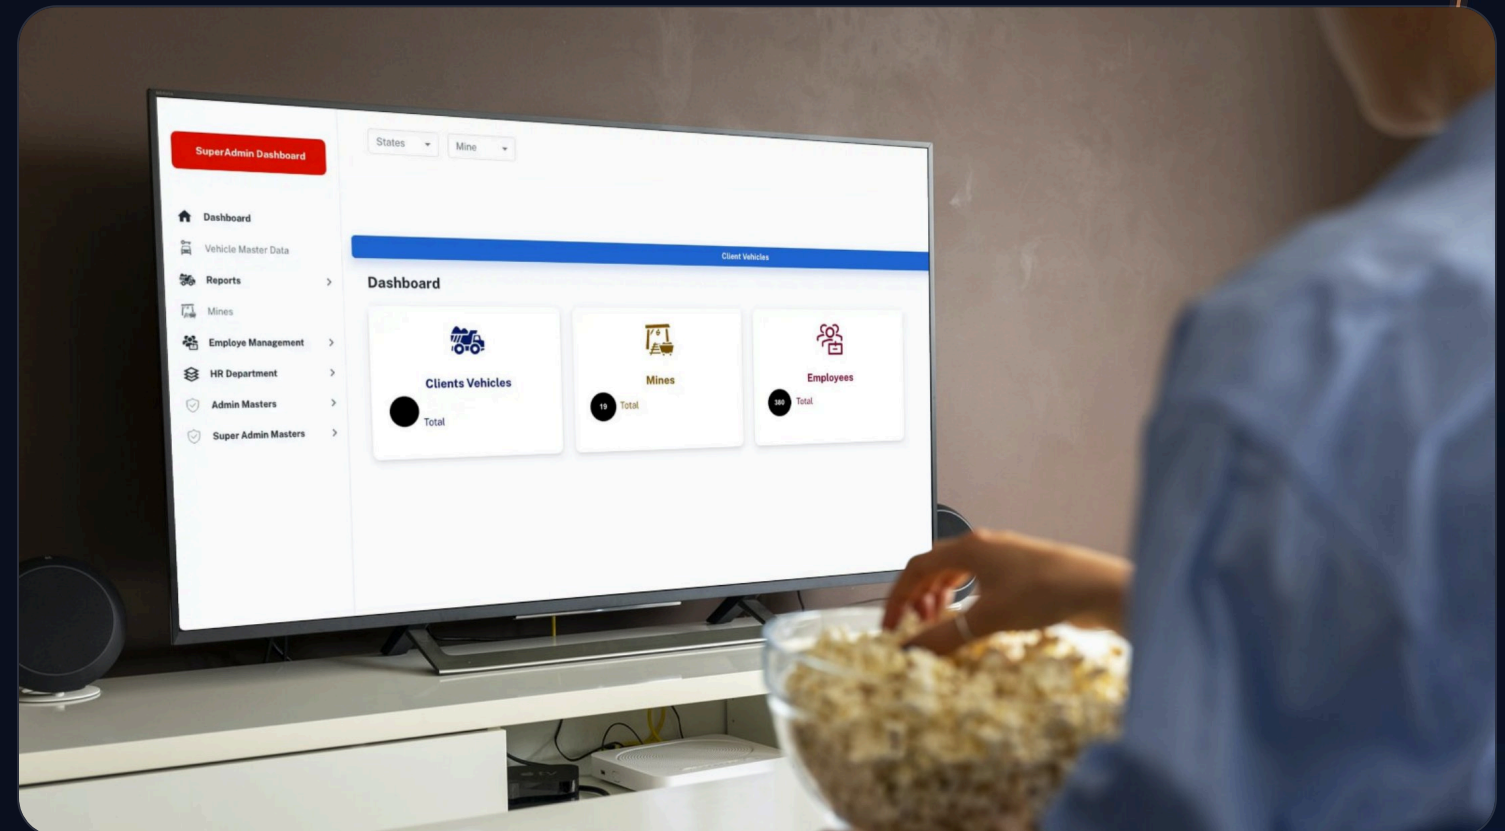

Mine-to-market operations, fully visible.

DG Mining needed one system to coordinate sites, equipment, vendors and people. We built a CRM that tracks every tonne extracted and every vehicle on the road, with the reports compliance teams ask for.

WHAT WE DELIVERED

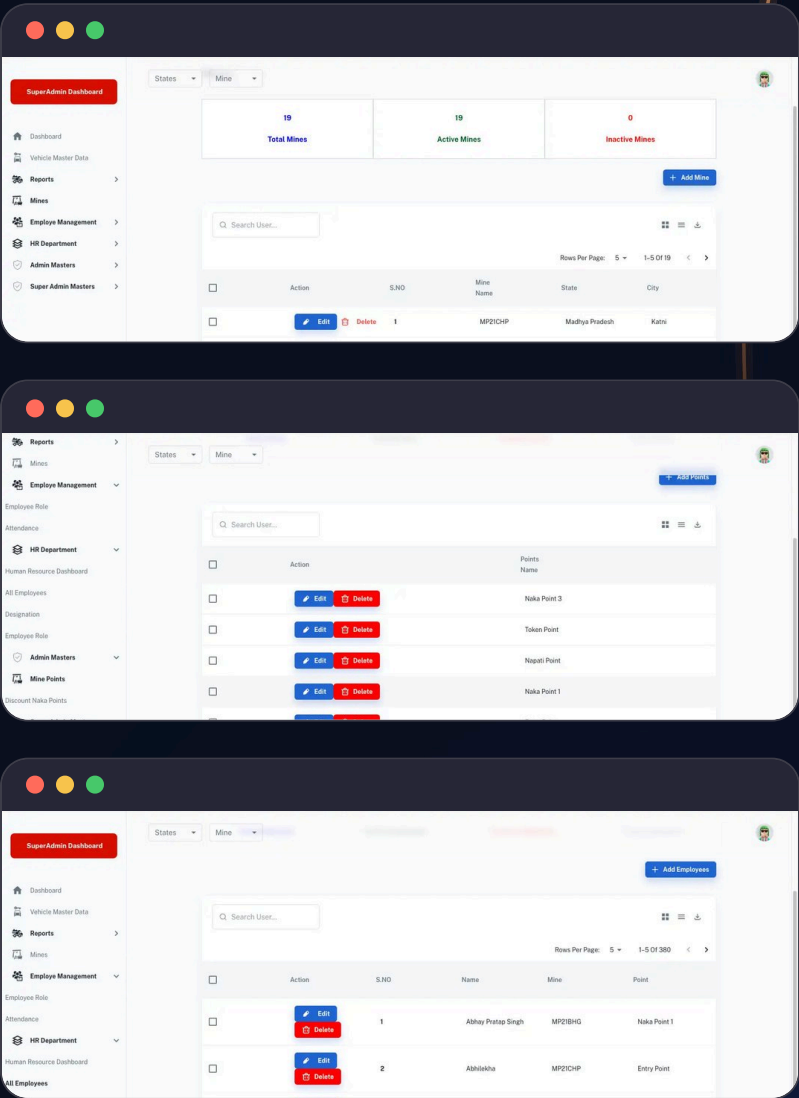

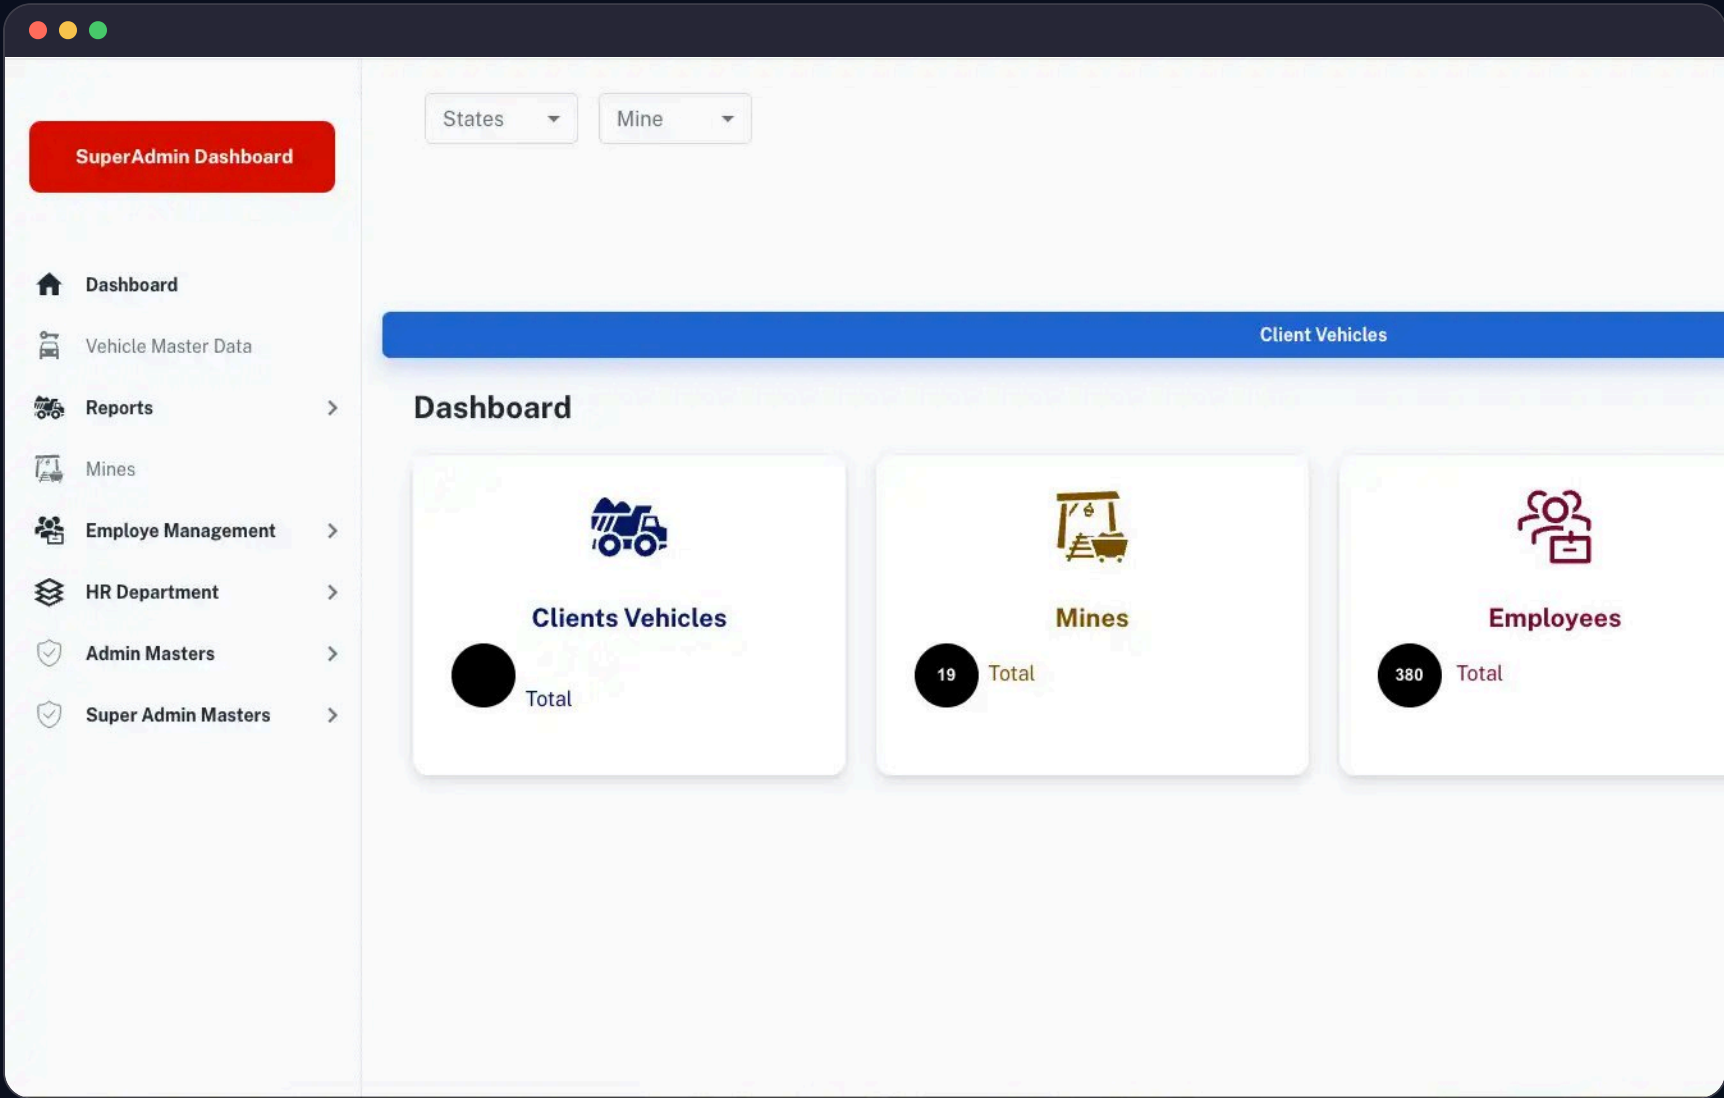

- ✓ Site, mine and equipment tracking
- ✓ Material extraction records & vendor coordination
- ✓ Inventory and compliance reporting
- ✓ Clients, vehicles & employees in one dashboard

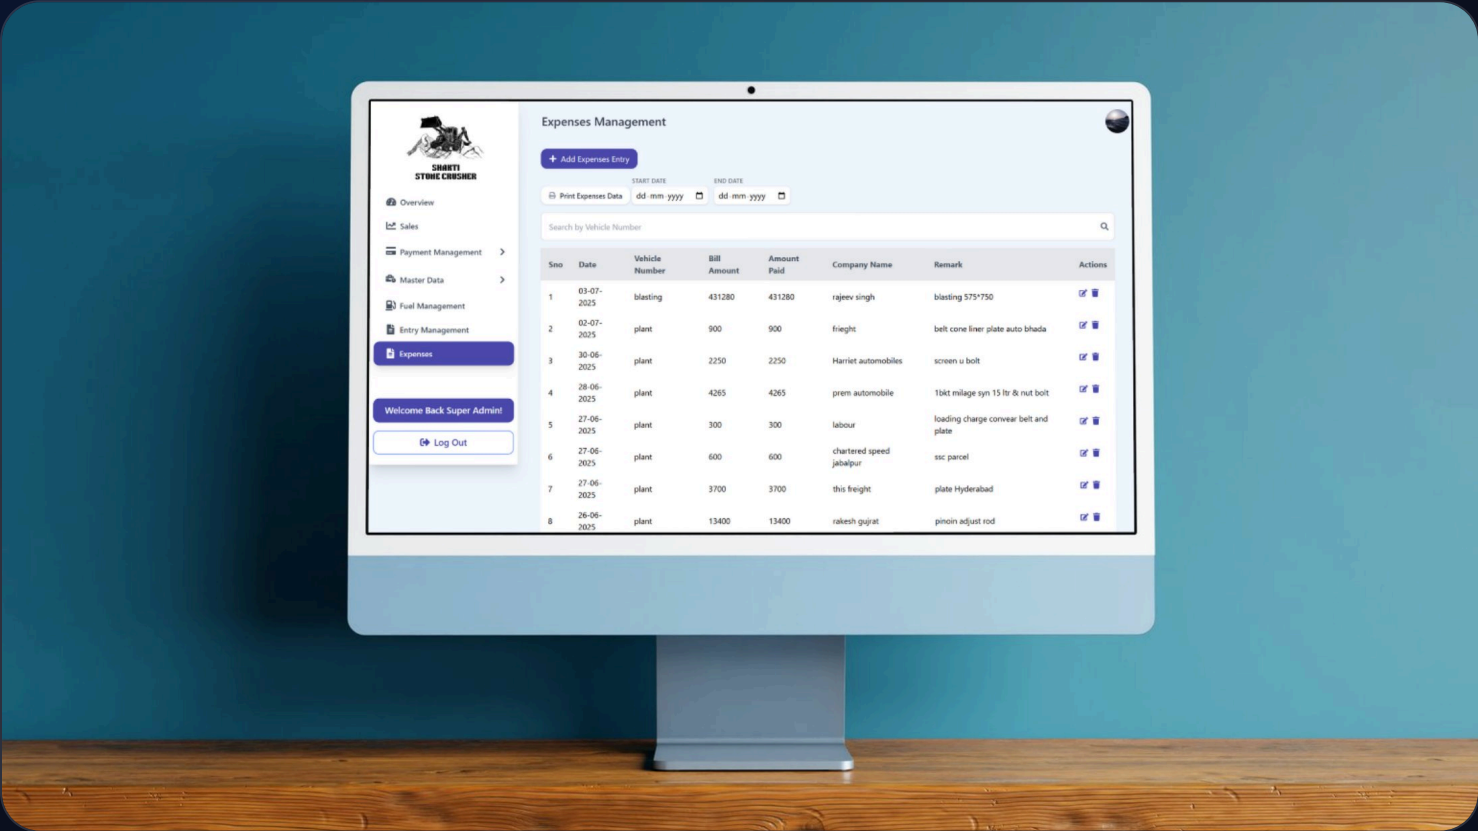

SCOPE Design · Development

Inside DG Mining CRM

Real screens from the live product.

Construction Materials

Stone Crusher CRM

From enquiry to dispatch to invoice.

A purpose-built CRM for a stone crushing business that ties sales, logistics and finance together — so owners can see today's numbers, this week's trends and this month's profit at a glance.

WHAT WE DELIVERED

- ✓ Lead, order and pricing management
- ✓ Vehicle, fuel, expense & vendor tracking
- ✓ Dispatch scheduling and billing
- ✓ Daily, weekly & monthly sales overview

Marketing Automation

Auto YouTube Commenter

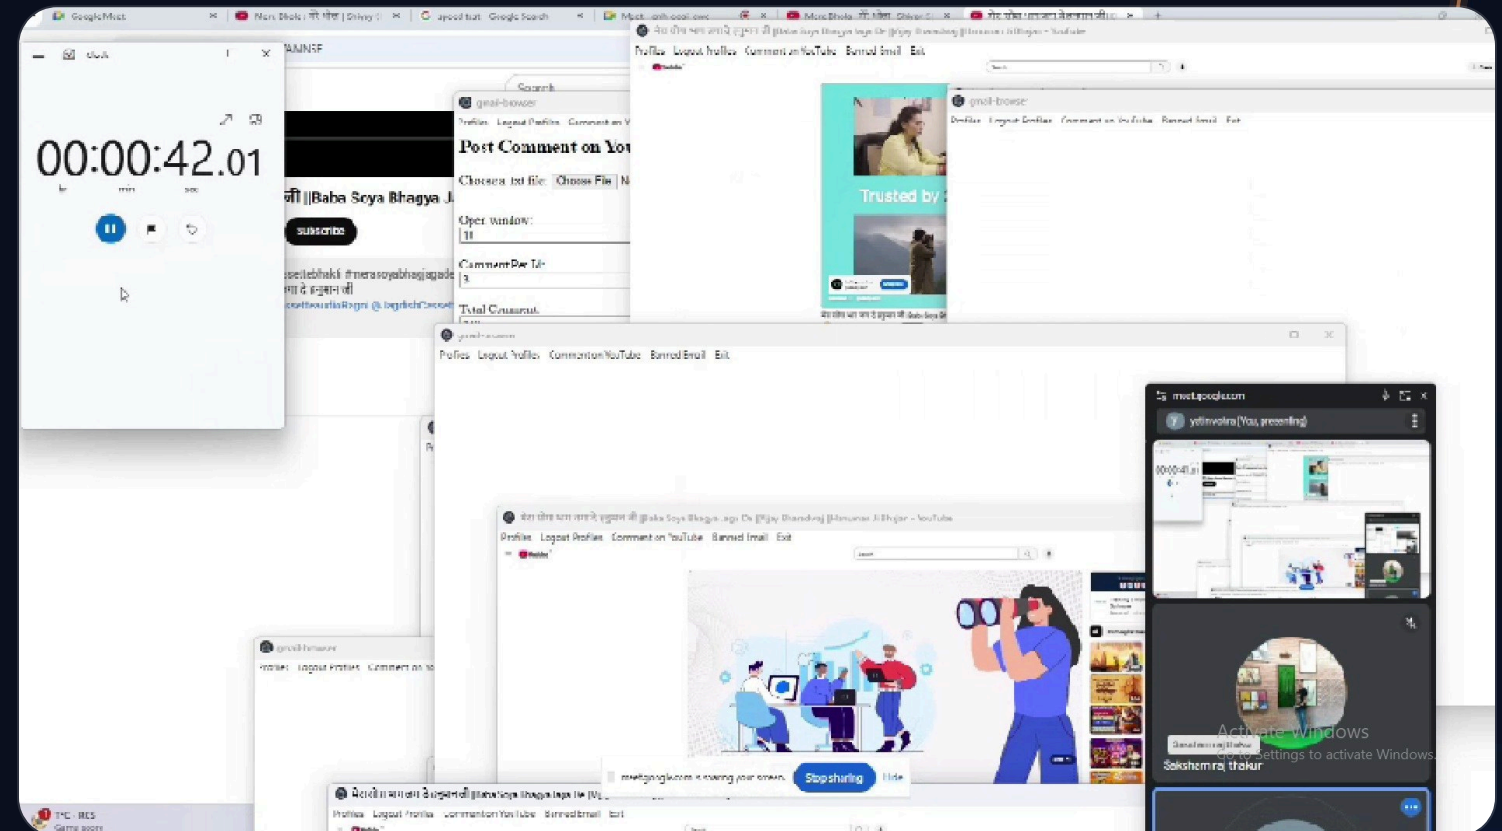

Brand visibility on autopilot.

A smart automation tool that engages audiences on relevant YouTube videos automatically — helping creators, marketers and businesses stay visible and promote their content without hours of manual effort.

WHAT WE DELIVERED

- ✓ Customisable comment templates
- ✓ Scheduling for consistent activity
- ✓ Targeting options for relevant content
- ✓ Hands-free engagement that saves hours every week

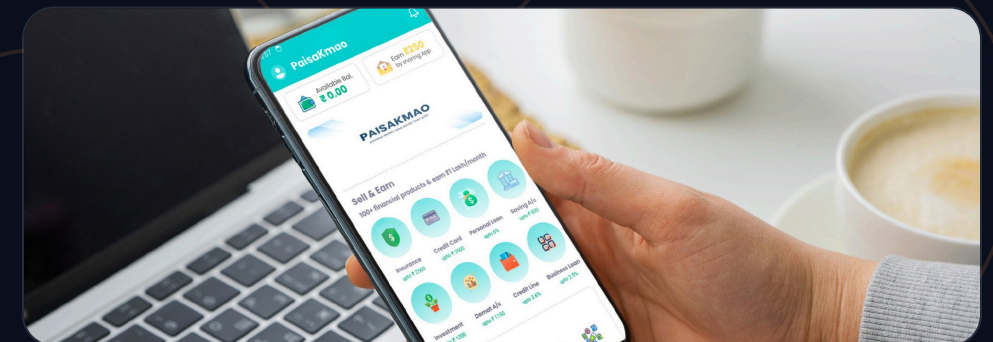

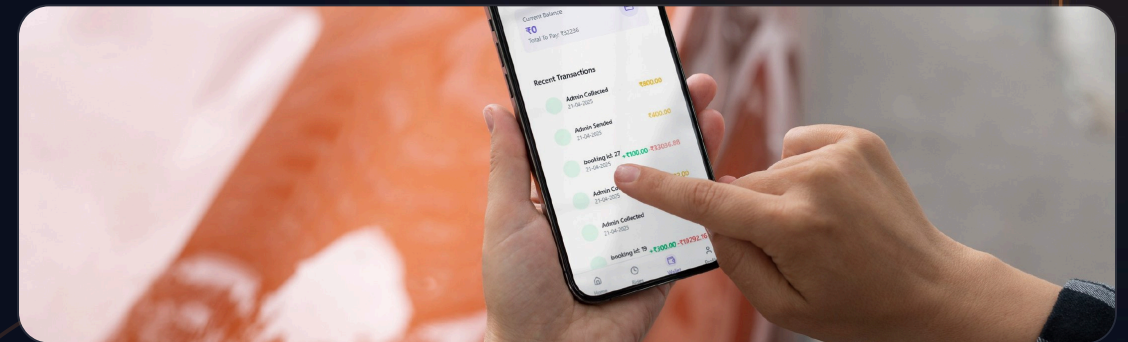

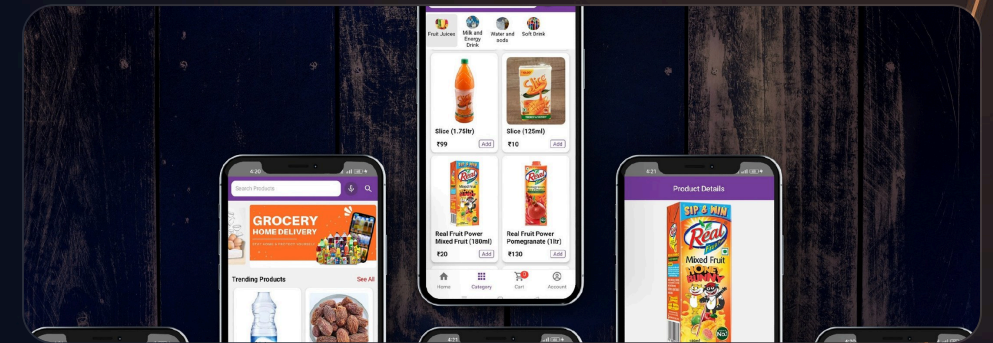

SCOPE Design · Development

Mobile App Design & Development

Apps people keep on their home screen. We take ideas from sketch to store — clean interfaces, smooth performance and features that solve real, everyday problems.

32,000+
DRIVERS ONBOARDED

Live on Google Play

Transport & GovTech

SafarTax

Border taxes paid online — no queues at the check-post.

SafarTax lets drivers pay interstate border taxes and other road taxes from their phone, and carry the pass digitally. A guided five-step flow — state & border, vehicle, WhatsApp, tax plan, review & pay — makes it simple for every driver on the road.

WHAT WE DELIVERED

- ✓ Interstate border tax payment in five simple steps
- ✓ Digital passes to download, share & track validity
- ✓ Payment history with delivery status for every pass
- ✓ Driver marketplace, insurance & bilingual English/Hindi UI

SCOPE Design · Development

Grocery & Quick Commerce

Greenli

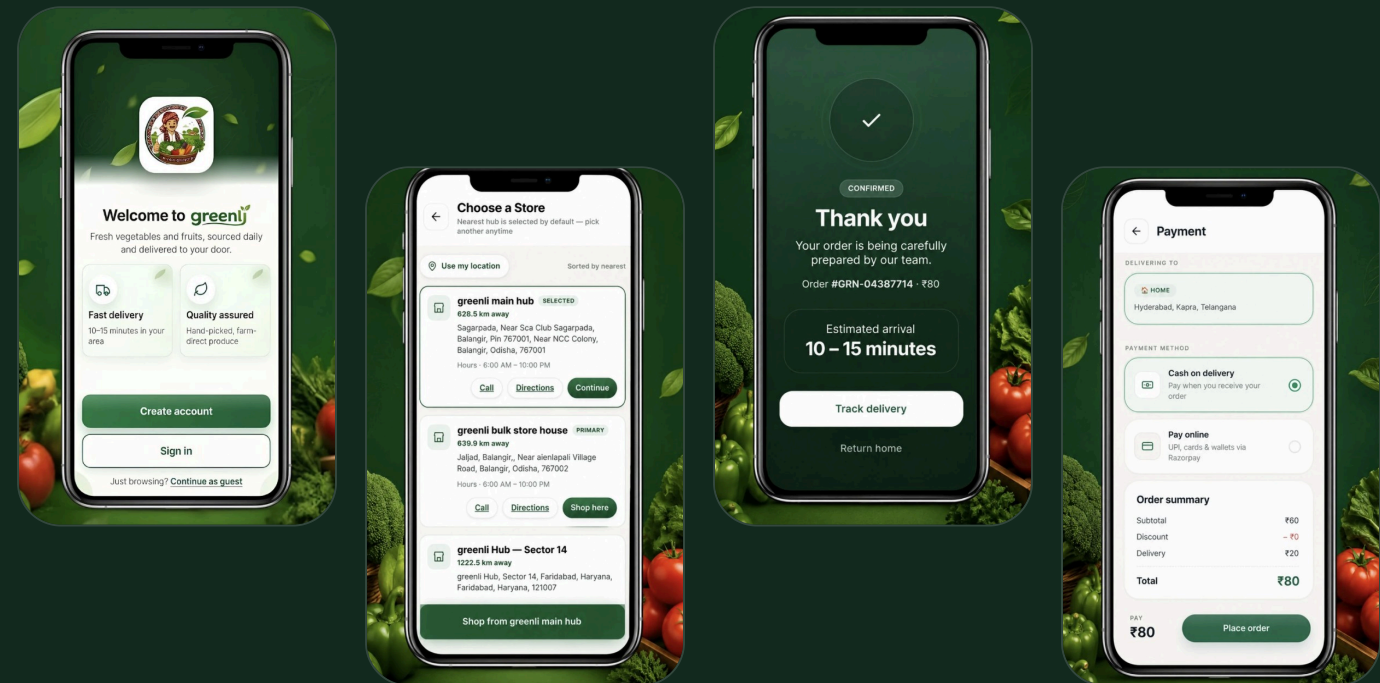

Farm-fresh produce at the door in 10–15 minutes.

Greenli is a quick-commerce app for fresh vegetables and fruits, sourced daily and delivered from the nearest hub. Customers pick their closest store, pay the way they prefer and track their order in real time.

WHAT WE DELIVERED

- ✓ Nearest-hub selection with hours, call & directions
- ✓ Cash on delivery or online via Razorpay (UPI, cards, wallets)
- ✓ Instant order confirmation with ETA & live tracking
- ✓ Guest browsing plus quick sign-up

SCOPE Design · Development

Live on Google Play

[Live on Google Play](#)

Logistics & Last-mile Delivery

Greenli Delivery Partner

Everything a rider needs, on one screen.

The companion app for Greenli's delivery partners. Riders go online, receive orders, share their live location with customers and manage every delivery from a clean, focused dashboard.

WHAT WE DELIVERED

- ✓ One-tap online / offline availability
- ✓ Live location sharing for customer tracking
- ✓ Active orders, delivery history & daily stats
- ✓ Nearby hub finder, alerts & support

SCOPE Design · Development

Retail & Grocery

Parchun King

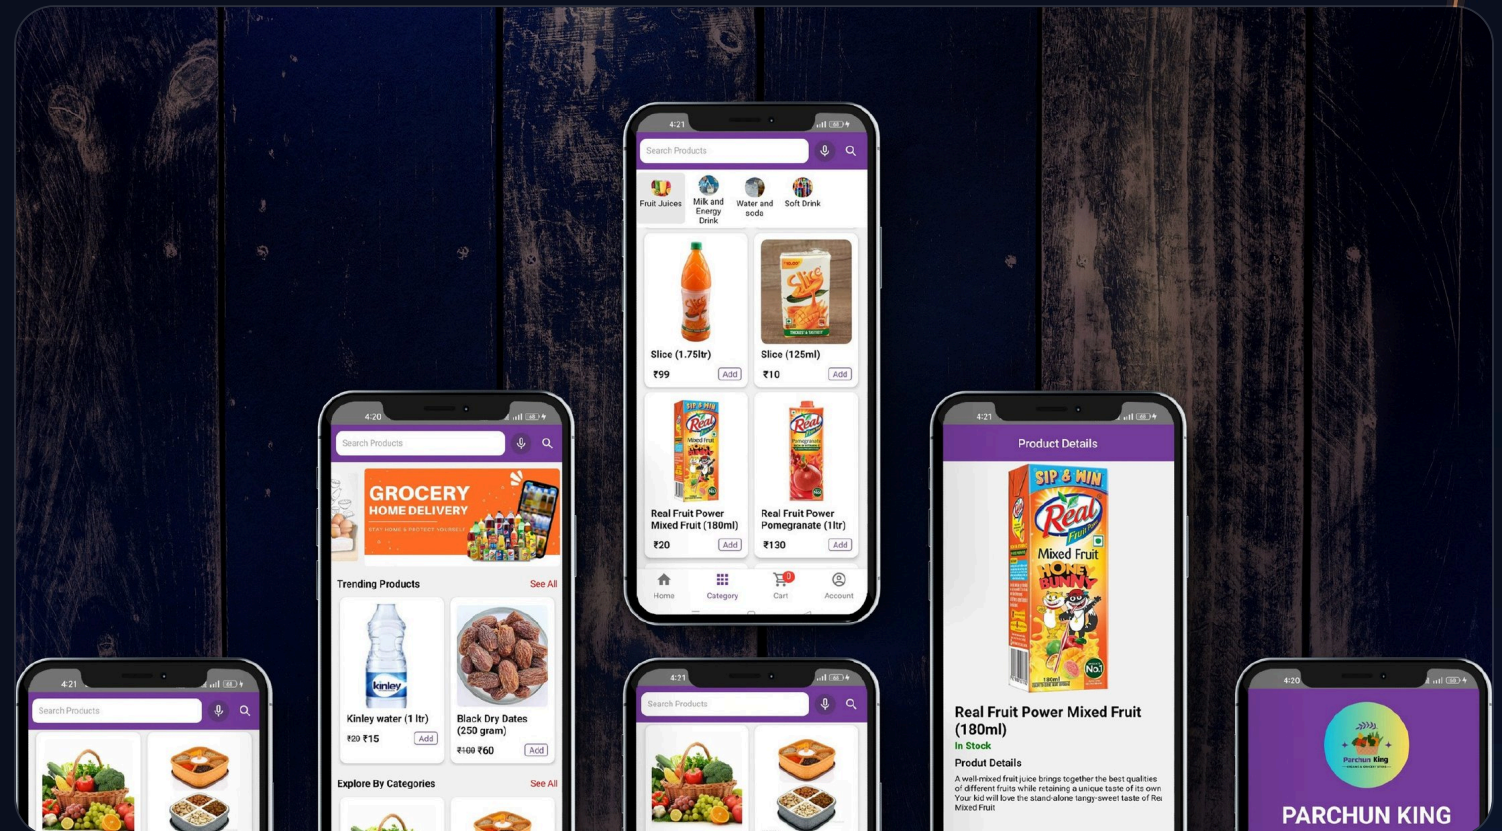

A pocket-sized assistant for neighbourhood stores.

Parchun King simplifies daily grocery and general-store management for small retailers, putting the tools of a modern retail chain into a shop owner's hand.

WHAT WE DELIVERED

- ✓ Inventory management
- ✓ Sales tracking and instant billing
- ✓ Customer data and insights
- ✓ Simple navigation for non-technical users

SCOPE Design · Development

Mobility

Cab Mate

Reliable rides, one tap away.

A ride-hailing app that connects passengers with nearby drivers quickly and safely — for the daily commute, the airport run or a night out in the city.

WHAT WE DELIVERED

- ✓ Quick matching with nearby drivers
- ✓ Rides for commutes, airports & city travel
- ✓ Affordable, transparent fares
- ✓ Designed for safety and comfort

SCOPE Design · Development

Rewards & Earning

Paisa Kamao

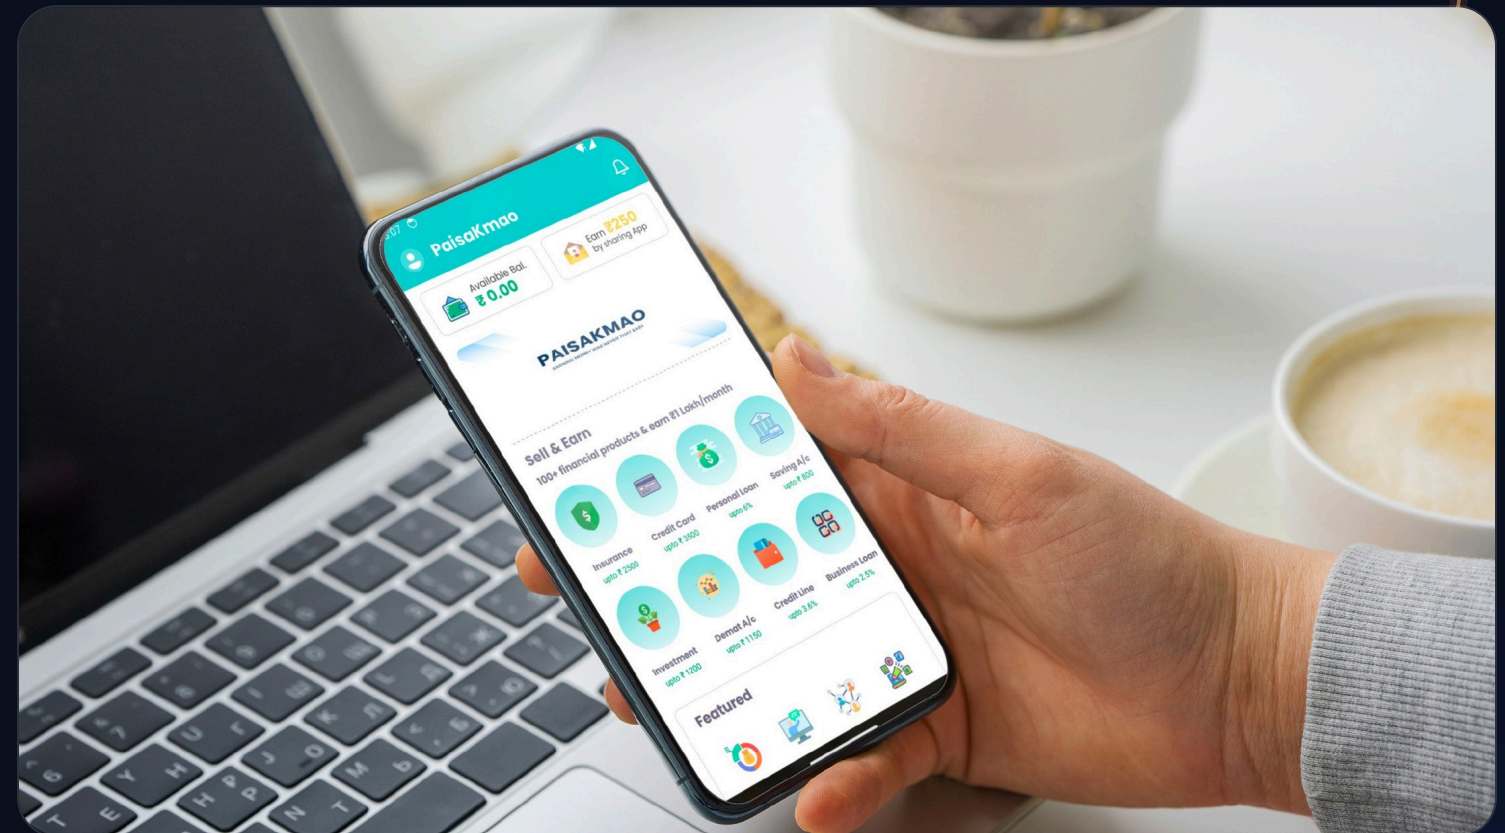

Turning spare minutes into extra income.

An earning platform that lets users make money from their smartphones through simple tasks — designed to be accessible to first-time and everyday users alike.

WHAT WE DELIVERED

- ✓ Earn by watching videos
- ✓ Referral rewards for inviting friends
- ✓ Surveys and app trials
- ✓ Easy, accessible onboarding

SCOPE Design · Development

Wellness

Humsoul

A calm corner of the phone.

A wellness and spiritual companion that helps users find inner peace, mindfulness and emotional balance — a daily sanctuary for clarity and personal growth.

WHAT WE DELIVERED

- ✓ Guided meditations
- ✓ Affirmations and spiritual talks
- ✓ Mood tracking
- ✓ Daily motivation

SCOPE Design · Development

Field Service & Maintenance

OS Magalhães

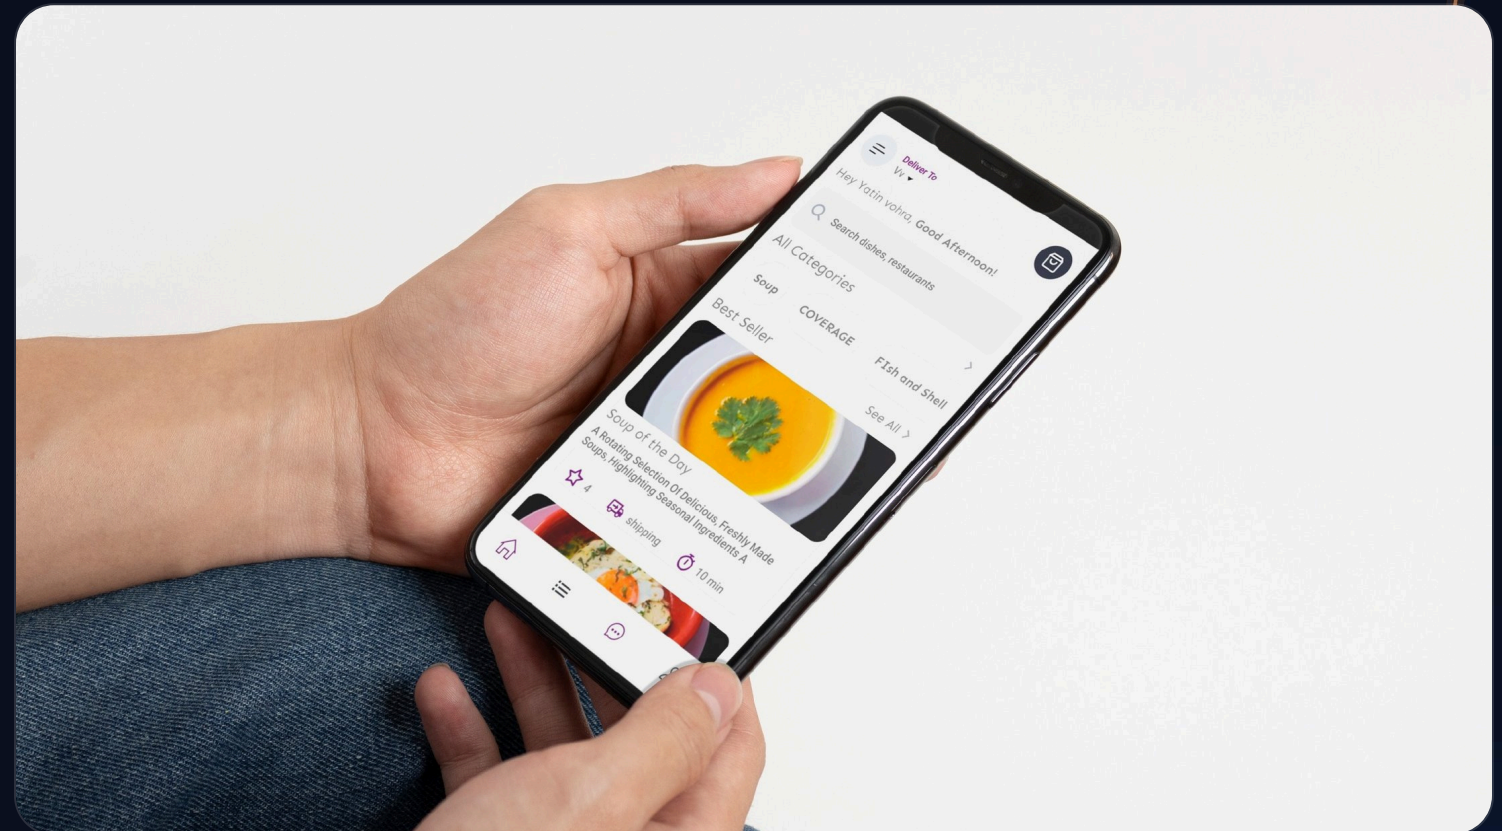

Service orders, fully transparent.

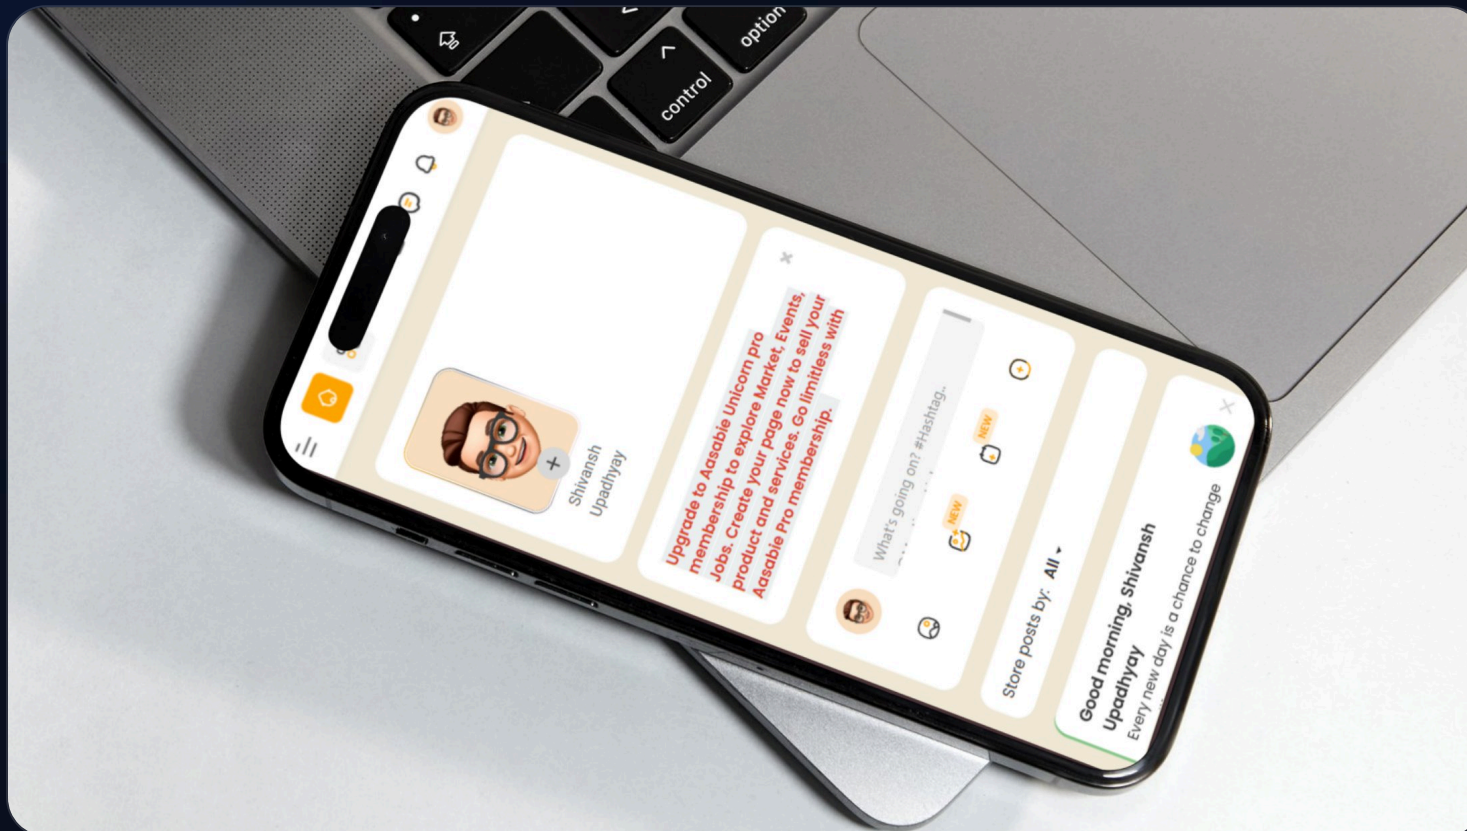

A service-order app for OS Magalhães customers that replaces phone calls and paperwork with a clear, trackable flow — improving efficiency and customer satisfaction.

WHAT WE DELIVERED

- ✓ Request maintenance in seconds
- ✓ Live job progress tracking
- ✓ Complete service history
- ✓ Direct chat with the support team

SCOPE Design · Development

Social Networking

Aasabie

Social connection, intelligently curated.

A social platform built around meaningful digital connections — content sharing, networking and community building, with AI helping surface what matters to each user.

WHAT WE DELIVERED

- ✓ Content sharing and networking
- ✓ AI-curated personal feed
- ✓ Email, phone & WhatsApp communication
- ✓ Community-focused experience

SCOPE Design · Development

Automotive Services

Washing Wala

A spotless car, without leaving home.

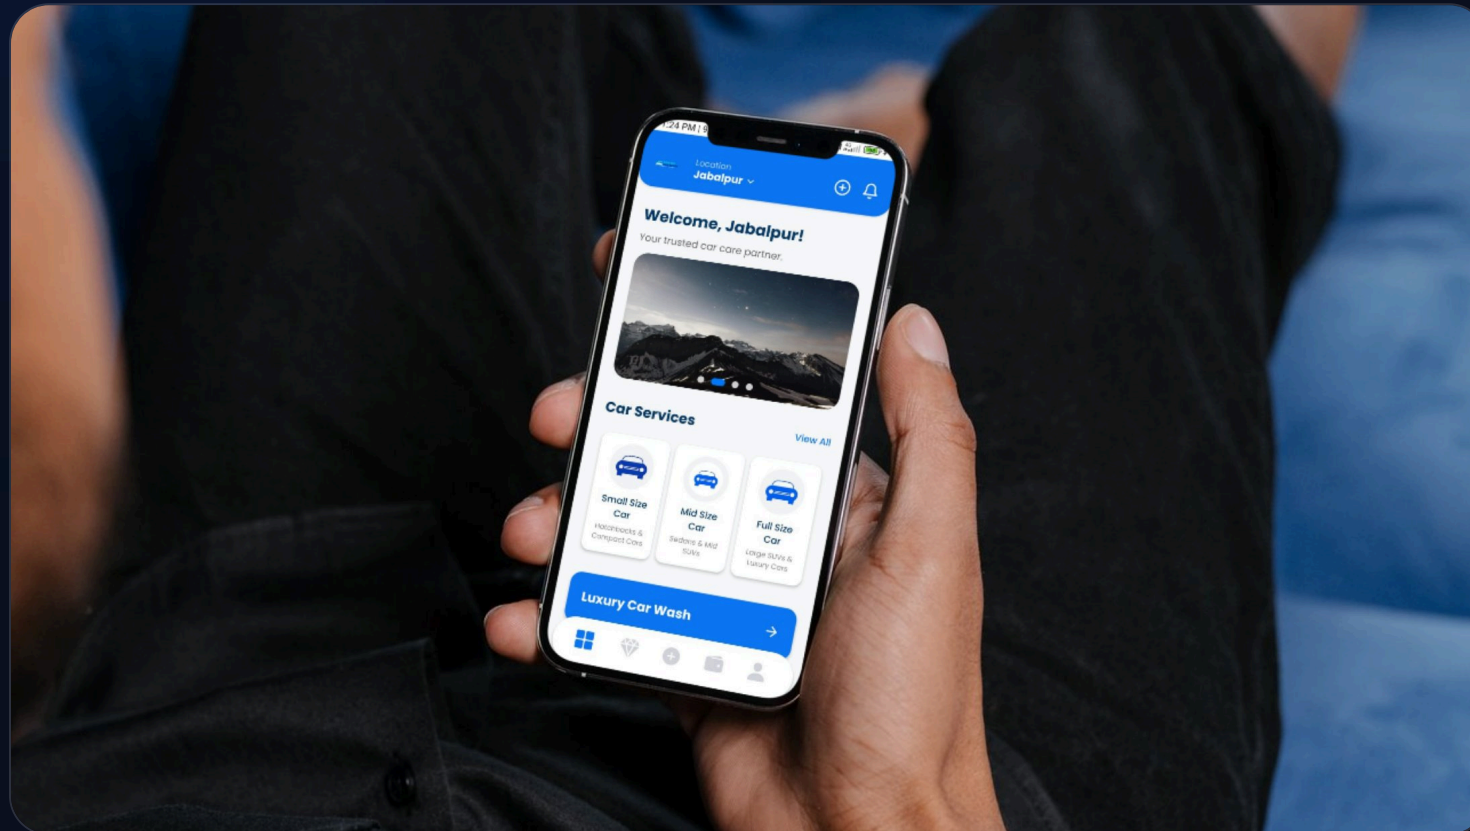

A doorstep car-cleaning app that makes booking a wash as easy as ordering food — with live service tracking and updates at every step.

WHAT WE DELIVERED

- ✓ Doorstep car-cleaning bookings
- ✓ Live service tracking
- ✓ Updates via email, phone & WhatsApp
- ✓ Car-care tips and content

SCOPE Design · Development

Automotive Services

Sanvik Car Wash

On-demand car care, simplified.

An on-demand car wash app that lets customers book, track and manage vehicle care services in a few taps, while the business keeps every booking organised.

WHAT WE DELIVERED

- ✓ On-demand wash bookings
- ✓ Booking status tracking
- ✓ Multi-channel customer communication
- ✓ Service plans and car-care tips

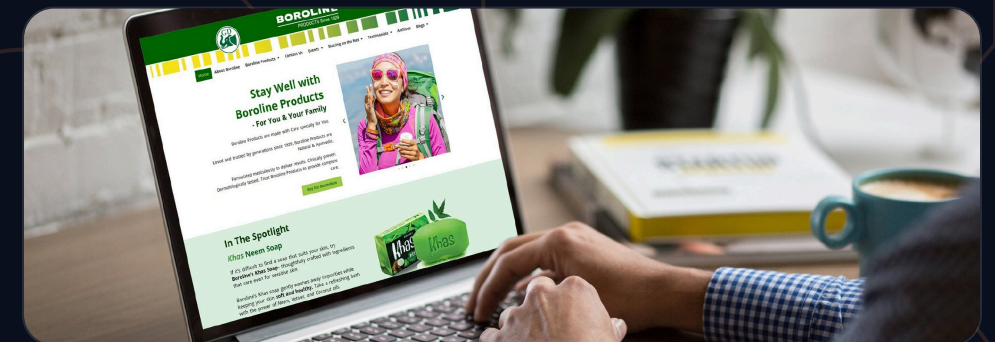

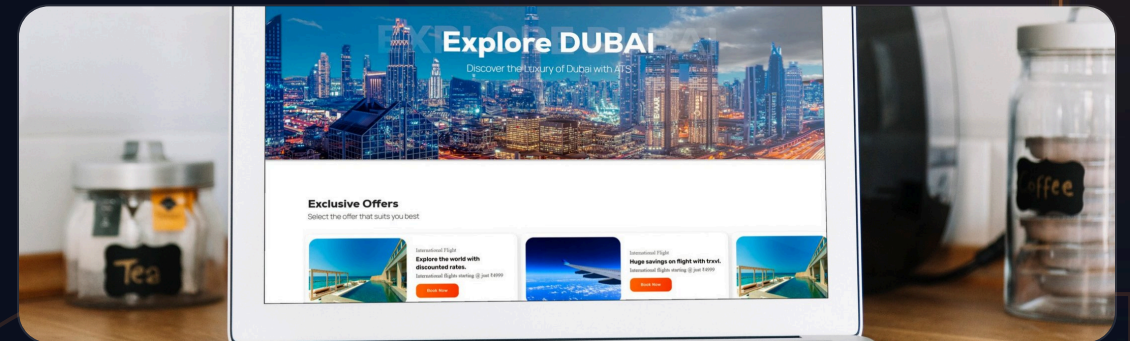

SCOPE Design · Development

— PRACTICE 03 · 10 PROJECTS

Websites & Web Platforms

From brand websites to full multi-sided marketplaces. Fast, responsive web products built to turn visitors into enquiries, bookings and orders.

Sewzo / Fabodry / ATS Tours & Travels / Boroline / Bengal Tiles & Art / Net Yogi / Handicraft / SAM Mall / Argham Services / UCS Real Estate

Fashion & Custom Tailoring

Sewzo

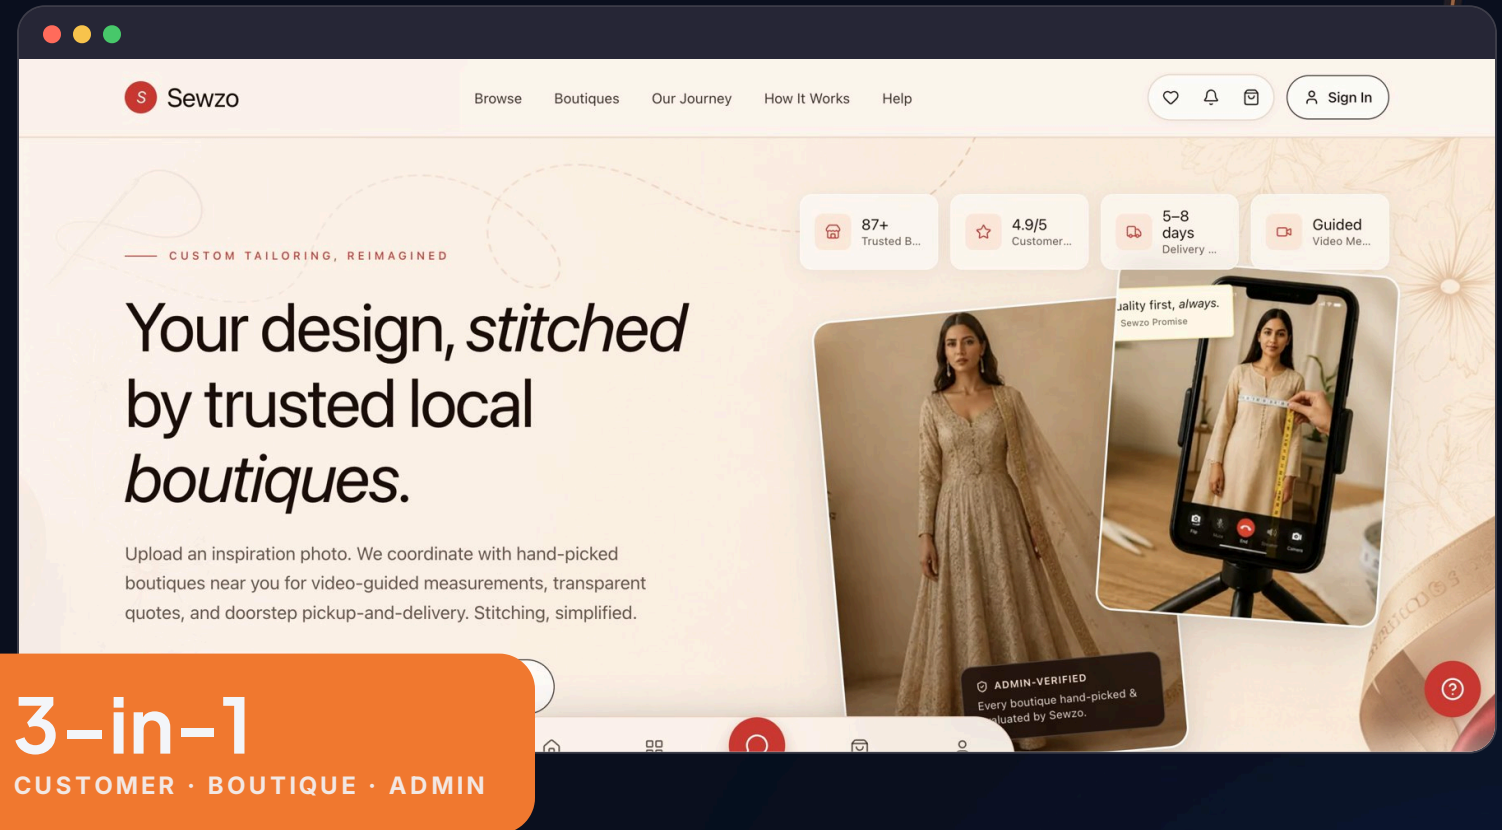

Custom tailoring, reimagined as a marketplace.

Sewzo connects customers with trusted local boutiques. Customers upload an inspiration photo or pick a listed outfit, compare quotes, get measured over a guided video call and receive doorstep delivery. We built all three sides of the platform.

WHAT WE DELIVERED

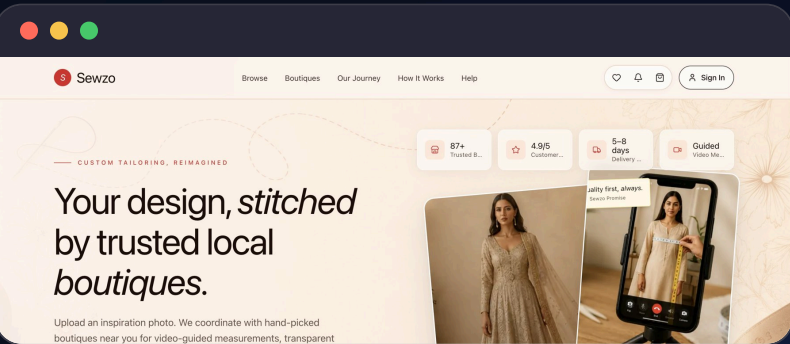

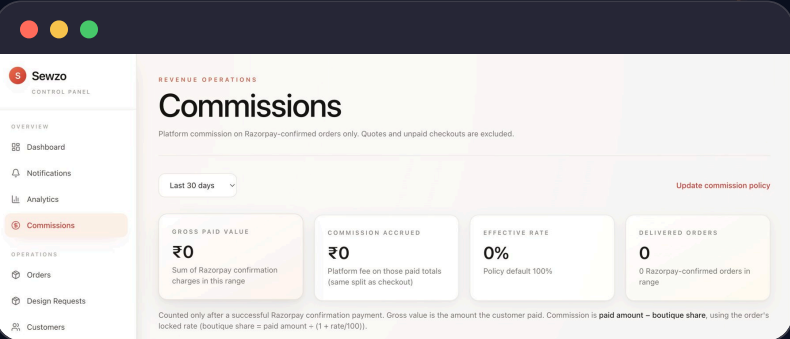

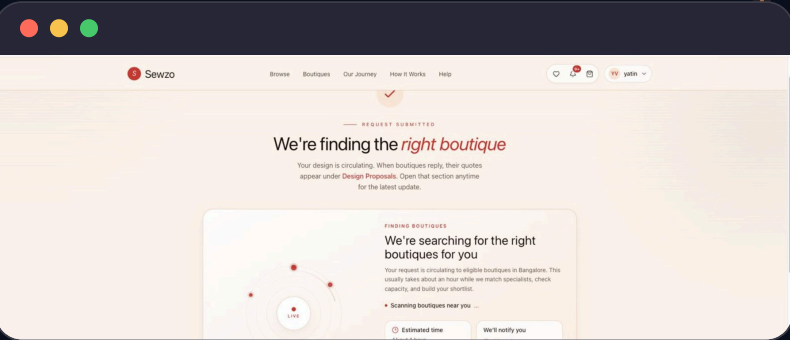

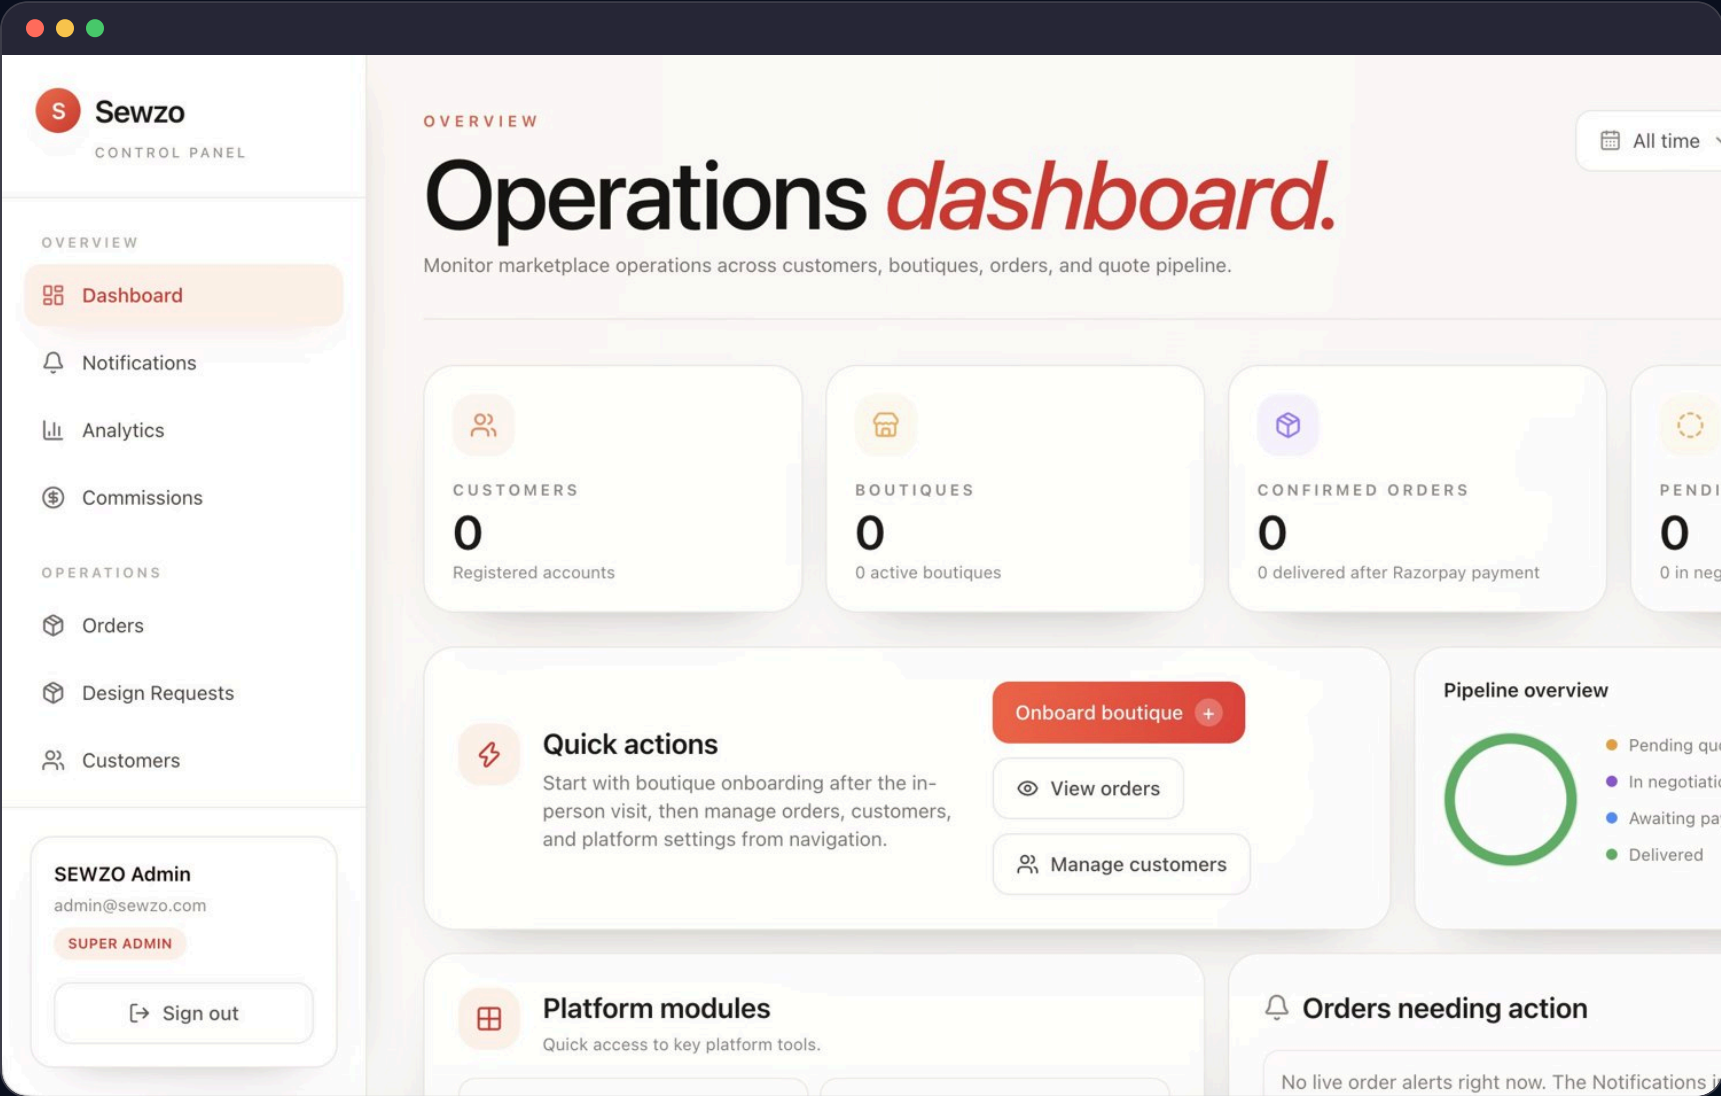

- ✓ Customer app: upload designs, compare quotes, order
- ✓ Boutique panel: list outfits, quote & manage orders
- ✓ Admin panel: onboarding, orders & analytics
- ✓ Razorpay payments with auto commission tracking

SCOPE Design · Development

Inside Sewzo

Customer app, boutique flow & admin control panel.

Laundry & Dry Cleaning

Fabodry

A premium laundry brand, online.

A modern website for Fabodry, one of India's growing laundry and dry-cleaning brands — showcasing everything from everyday laundry to specialised cleaning with a seamless, hassle-free experience.

WHAT WE DELIVERED

- ✓ Full service catalogue
- ✓ Offers and promotions front and centre
- ✓ Brand story that builds trust
- ✓ Mobile-first, conversion-focused design

SCOPE Design · Development

Travel & Tourism

ATS Tours & Travels

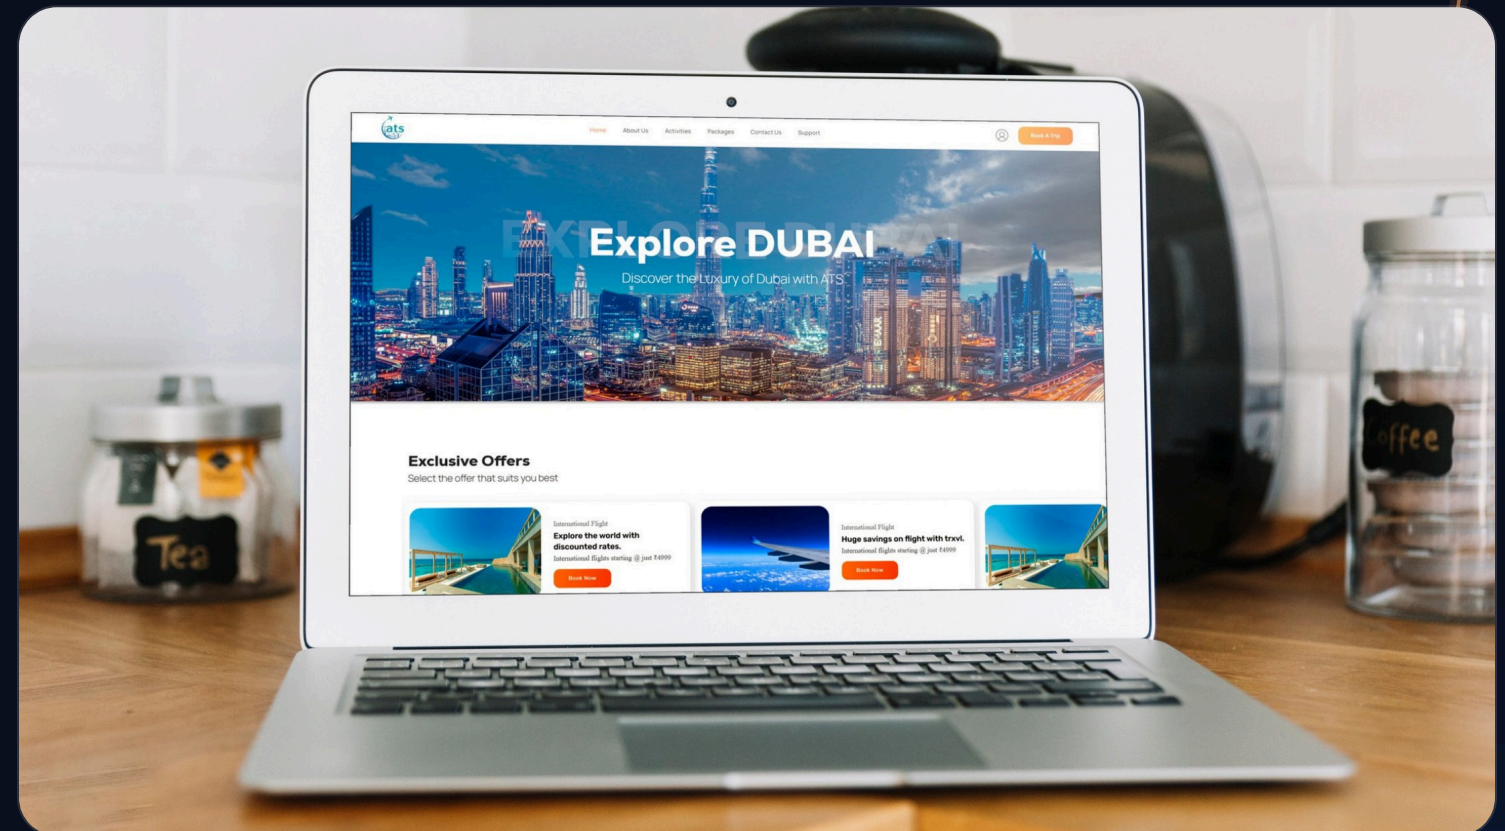

Destinations that sell themselves.

A travel website that inspires and converts — letting visitors explore adventure and cultural tours, browse destinations worldwide including the UAE, and grab exclusive deals.

WHAT WE DELIVERED

- ✓ Tour types and destination discovery
- ✓ Flight and hotel offers
- ✓ Popular holiday packages
- ✓ Top-city guides

SCOPE Design · Development

FMCG & Personal Care

Boroline

A heritage brand, trusted since 1929.

A website for Boroline that brings a legacy Ayurvedic brand to a new generation — highlighting its natural formulations and making products easy to discover and buy.

WHAT WE DELIVERED

- ✓ Product showcase, incl. Khas Neem Soap
- ✓ Product combos with pricing
- ✓ Customer ratings
- ✓ Heritage storytelling

SCOPE Design · Development

Manufacturing

Bengal Tiles & Art

Showcasing craft at industrial scale.

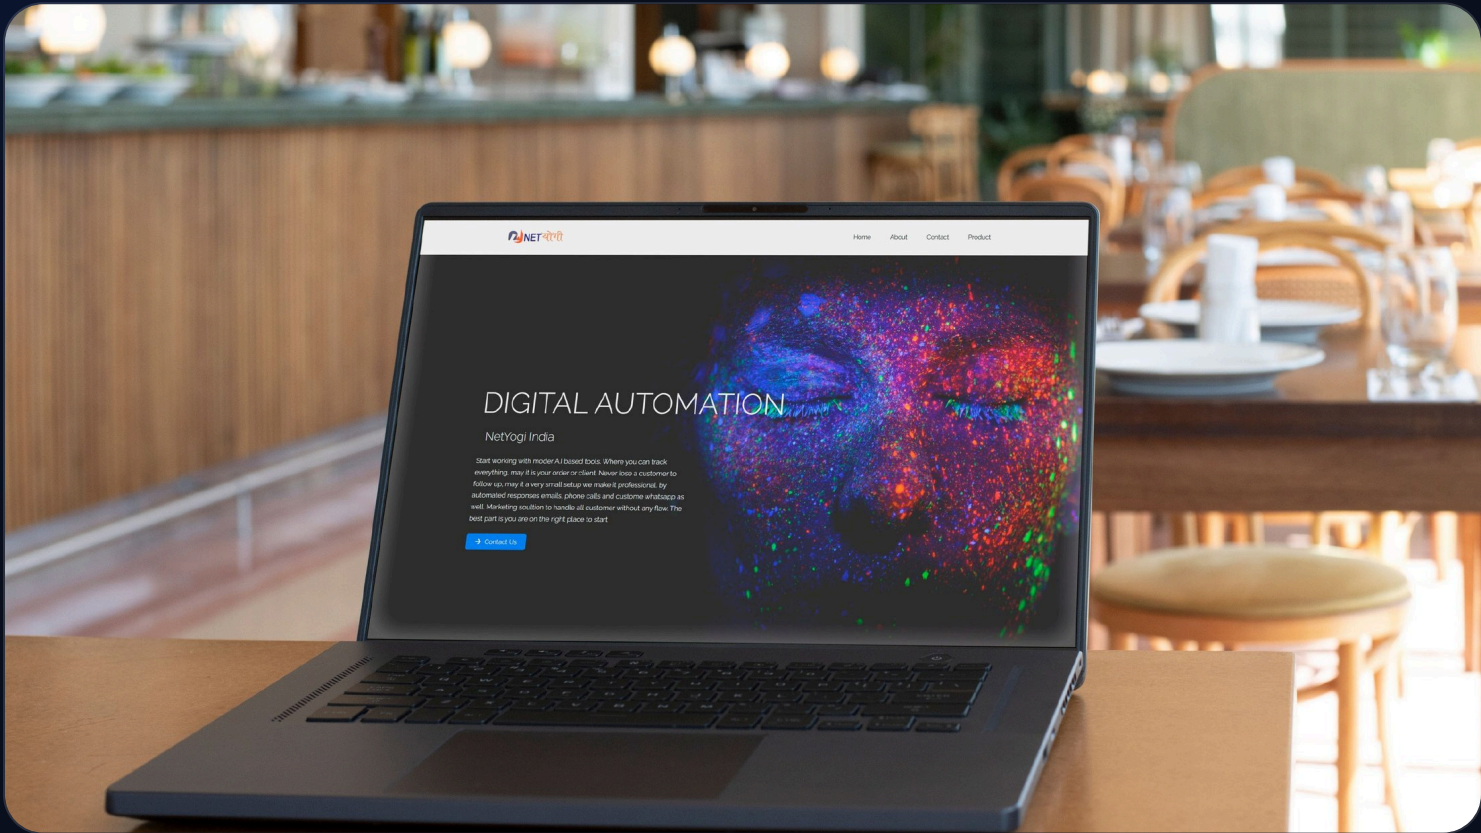

A corporate website for Bengal Tiles & Art Pvt. Ltd., presenting ceramic and porcelain tiles, adhesives and sanitaryware across its sub-brands with the polish of a premium manufacturer.

WHAT WE DELIVERED

- ✓ Product ranges & sub-brands EXTREMA and SOLISTA
- ✓ Morbi manufacturing facility showcase
- ✓ Quality and innovation story
- ✓ Clear dealer and customer enquiries

SCOPE Design · Development

Digital Services

Net Yogi

A digital-growth brand, done digitally right.

A bold website for a digital automation company, communicating its AI-driven services, expert team and thought leadership to startups and growing businesses.

WHAT WE DELIVERED

- ✓ Digital automation service pages
- ✓ AI-driven customer communication
- ✓ Expert team showcase
- ✓ Blog on social media marketing for startups

SCOPE Design · Development

Home & Décor

Handicraft

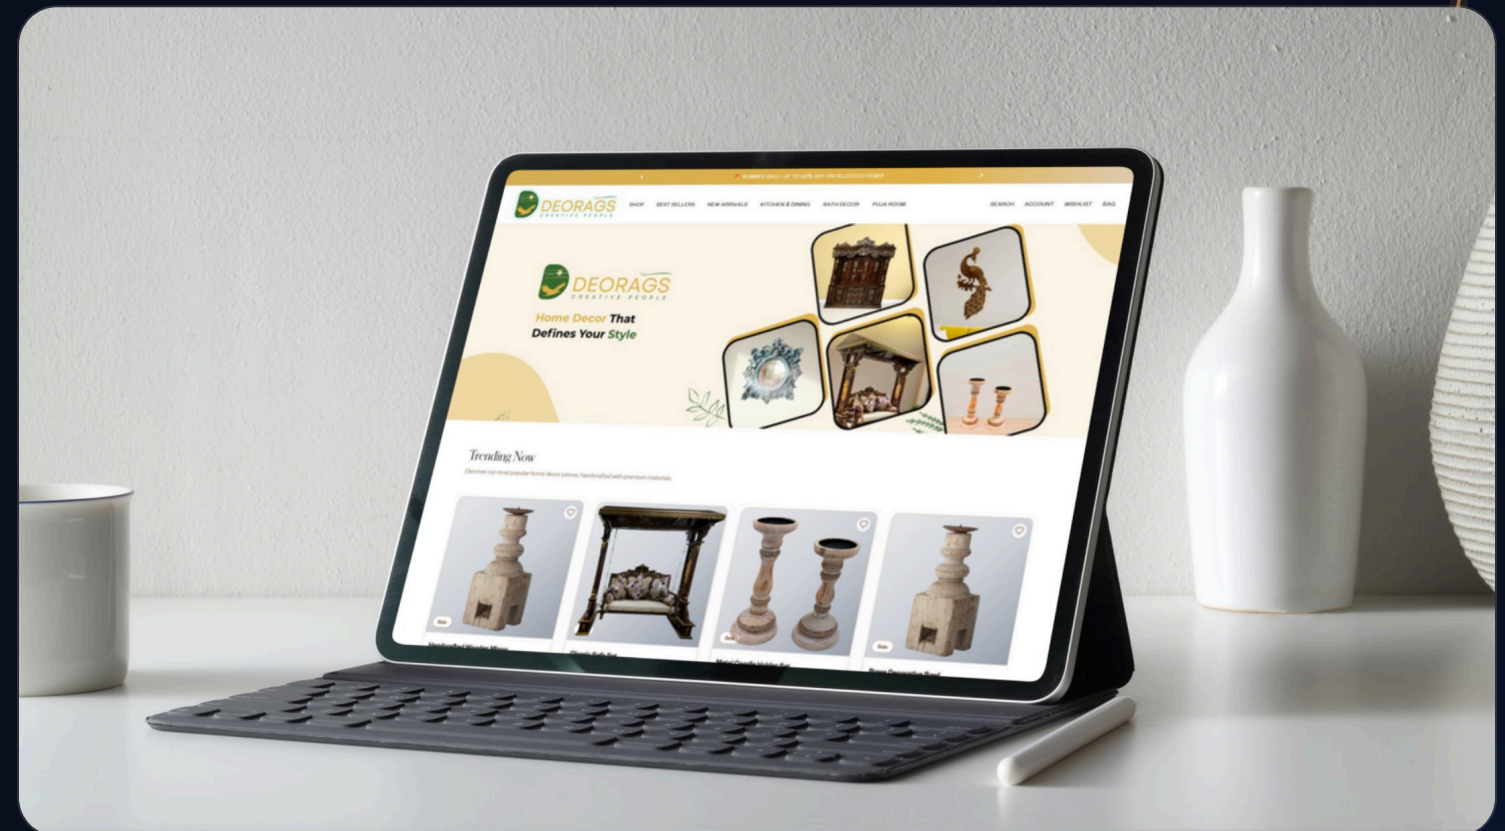

Handcrafted pieces, beautifully presented.

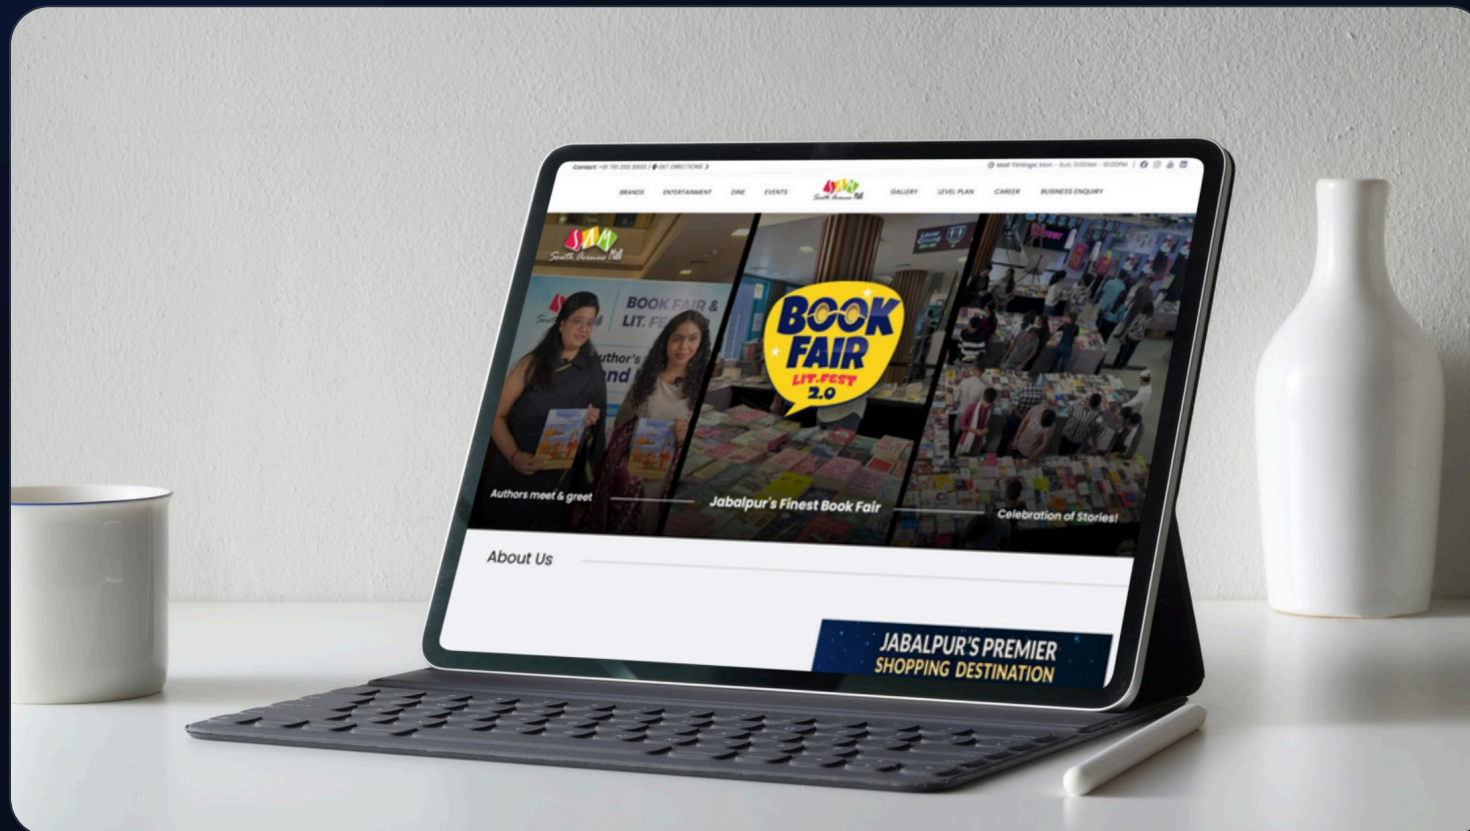

A website for a handcrafted furniture and home-décor brand that lets the craftsmanship shine — with custom orders and content that inspires better living spaces.

WHAT WE DELIVERED

- ✓ Custom furniture catalogue
- ✓ Order tracking
- ✓ Customer communication channels
- ✓ Blog on interior décor & sustainable living

SCOPE Design · Development

Retail & Entertainment

SAM Mall

Bringing a destination mall online.

A vibrant website for SAM Mall that promotes stores, entertainment and events — giving the community a reason to visit, and a reason to come back.

WHAT WE DELIVERED

- ✓ Events and promotions
- ✓ Retail and entertainment directory
- ✓ Visitor engagement tools
- ✓ Shopping-trend content

SCOPE Design · Development

Public Services

Argham Services

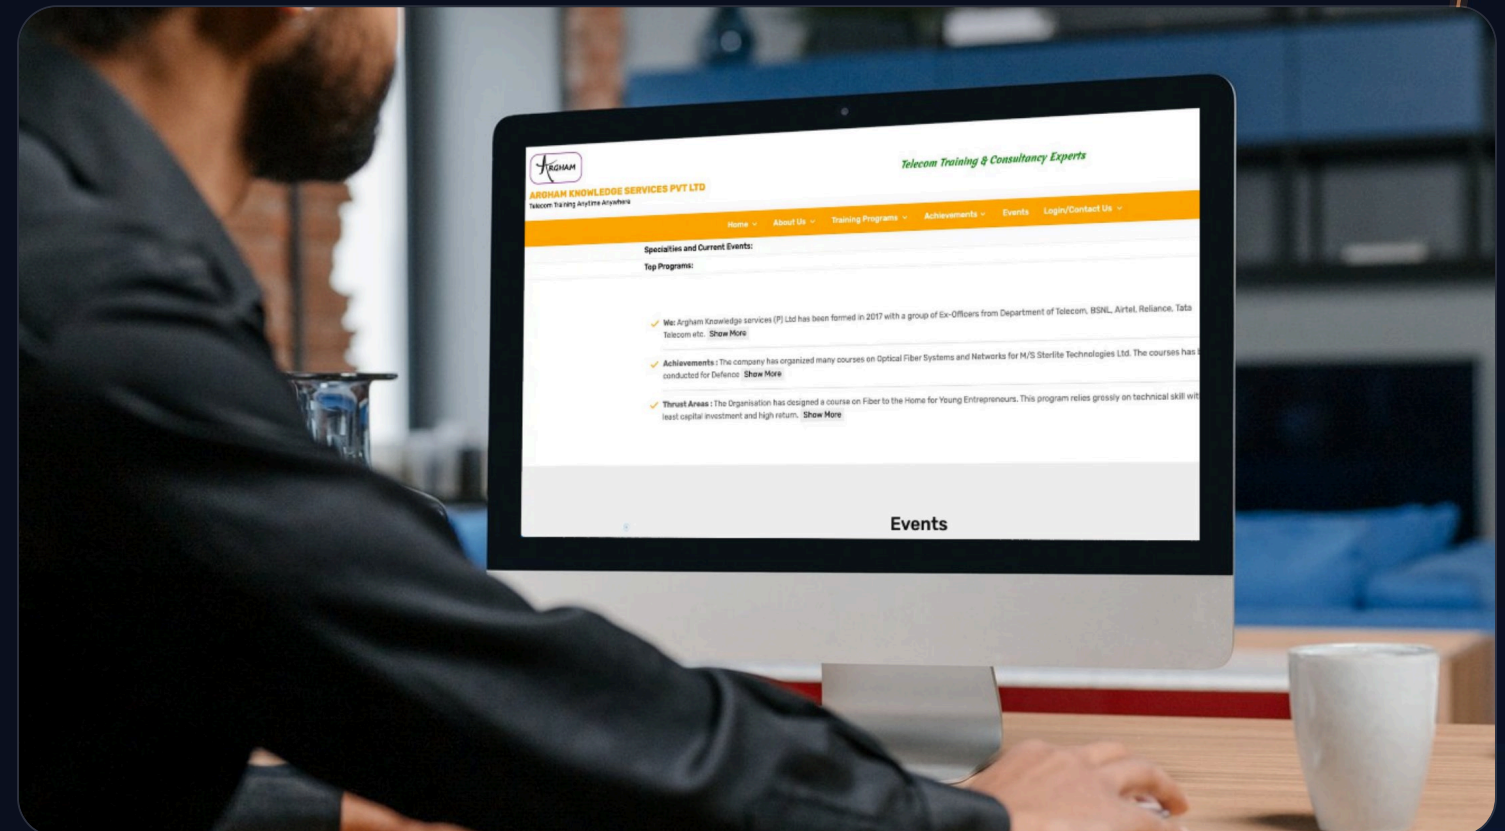

Public services, made accessible.

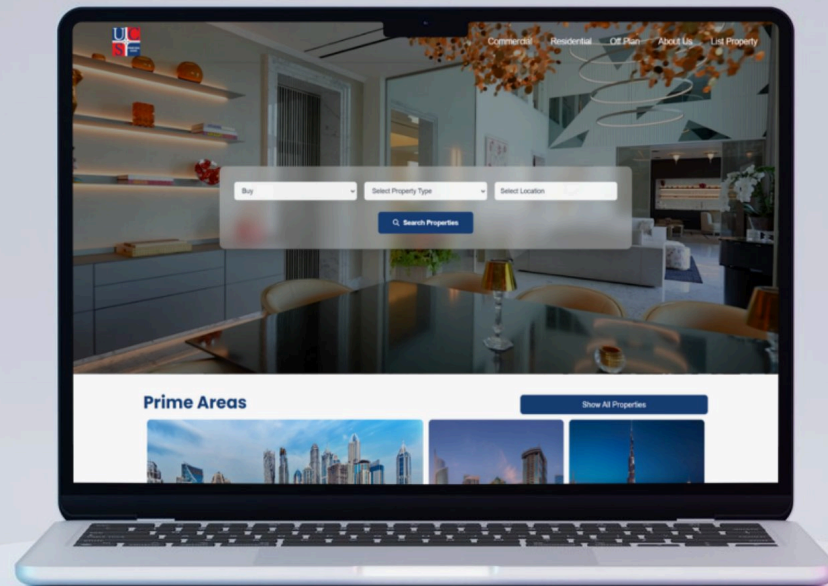

A website for a public-services organisation that makes digital governance clearer for citizens and departments alike, with multiple ways to get in touch.

WHAT WE DELIVERED

- ✓ Digital governance services
- ✓ Citizen communication via email, phone & WhatsApp
- ✓ Data tracking
- ✓ E-governance knowledge hub

SCOPE Design · Development

Real Estate

UCS Real Estate

Property search that turns into enquiries.

A real-estate website that presents properties beautifully and captures buyer interest — backed by lead tracking so no enquiry goes cold.

WHAT WE DELIVERED

- ✓ Property listings and prime areas
- ✓ Lead tracking for enquiries
- ✓ Client communication channels
- ✓ Investment insights for buyers

SCOPE Design · Development

Why businesses **choose us** — and stay.

01

One team, end to end

Strategy, design, development, cloud and marketing under one roof — one point of contact, zero hand-off gaps.

02

Built around your workflow

We don't force your business into a template. Our CRMs for travel, laundry, healthcare, mining and more were each shaped around how those teams really work.

03

Proven across industries

28 projects across 15+ industries means we've likely solved a problem close to yours before.

04

Modern, scalable technology

Fast, secure and reliable products using current tools, ready to grow as your business does.

05

Transparent partnership

We listen first, keep you in the loop at every milestone, and tailor solutions to your goals and budget.

06

With you after launch

Support, enhancements and growth marketing so your product keeps delivering long after go-live.

— LET'S WORK TOGETHER

Your project could be **the next one here.**

Whether it's a website, a mobile app, a custom CRM or a marketing push — tell us what you're trying to achieve and we'll come back with a clear plan, timeline and quote.
